

INDIAN SCHOOL SALALAH

Circular No. ISS/DP/017/2022-23 Date: 12/09/2022

Dear Parents,

Greetings from Indian School Salalah!

Our students are ready to appear for the Term 1 examination of AY 2022-23, and we know that as a parent you are providing all the necessary support and doing the timely monitoring of their preparation.

Kindly note the following instructions and ensure to adhere to them.

- If your ward is unwell during the examination days, kindly do not send him/her to school.
 Also ensure to report it to the class teacher immediately. (Kindly ensure to submit the medical certificate to the class teacher.)
- During the examination days, all the students of classes III to XII should report to school by 7:30 am. The dispersal will be at 11 am. The parents are requested to receive their children from school, sharp at 11 am.
- Kindly inform the person responsible to pick your ward so as to reach school on time for the examination and take your ward back from school on time immediately after the examination (If the student does not come with the parent).
- The students of classes KG to II will continue to have their regular school timing.
- Kindly ensure that your ward gets a good sleep by night and proper breakfast before coming for the examination.
- The students are expected to come in complete school uniform.
- The students of classes III to XII will have examination preparatory holiday on Wednesday, 14th September 2022, and thereafter the students are to be present only on the examination dates, as per the date sheet circulated earlier.
- All the parents are hereby once again reminded to clear their ward's first two quarters fee and submit the receipt to the respective class teacher.
- We have also observed that there are a few parents whose previous academic years' fee is still outstanding, and they are requested to clear all the dues and submit the receipts to the respective class teachers at the earliest.

We extend our best wishes to all our students who are appearing for the examination.

Regards,
