Dear Parents,

Greetings from Indian School Salalah!

We at school would like to provide the best service to all our stake holders, in order to have a clear and quick communication with school we request the parents to send e-mails to the following official e-mail ids of the school.

1. Any administrative related work like TC, Facilities, admission, transcripts, bonafide certificate kindly send e-mail to contactus@indianschoolsalalah.com
2. Any academic related work like result, leave letters, academic queries & concerns, kindly send e-mail to academics@indianschoolsalalah.com
3. Fee payment receipts and queries to be sent to accounts@indianschoolsalalah.com

Kindly ensure to avoid sending mails to Principal's official id for the above-mentioned works as he has to forward to the concerned department for their action. In order to maintain the official record and to avail quick service we encourage our parents to make use of the above-mentioned e-mail ids.

Best Regards,
