

INDIAN SCHOOL SALALAH

CIRCULAR NO: ISS/DP/041/2021-22 DATE: 8/11/2021

Dear Parents,

Greetings from Indian School Salalah!

It gives me immense pleasure to inform you that currently onsite classes for KG to class II and Class IX to Class XII are in progress. I am happy to inform you that we will be getting all the other students for onsite classes by the end of this month. Kindly ensure to read the messages and circulars sent by the class teacher.

As we are into the second term of the current academic year, we have to place the order for text books required for the next academic year (AY 2022 – 23). Due to pandemic the shipments of text books require more time hence we have to place the order by the last week of November.

We would like to inform you that the orders will be placed based on the consent given by the parent. The text books can be collected only as full sets and once you have placed order, you are expected to collect the text books without fail. Kindly fill the attached consent form.
