(Circular No. ISS/132/2019-20 Dated: 12/02/2020)

Dear Parents,

PATH TO SUCCESS FOR YOUR EXAMINATION

Annual exams are going to commence for classes III to XII in a few days from now. It is time for you to gear up and devote more time in your preparation for the ensuing exams.

These exams are the road to success towards the next class that you are going to be promoted. Realize your true self and the hidden potential in you, as it is the real key to your success. Proper time management and planned study is the key to success for any examination. Devote appropriate time for your subjects according to the difficulty level. Avoid your distractions and worries if any. The teachers and parents are always there with you to encourage and support you in this endeavour.

Don't take up all the subjects at the same time. Prepare your study time table as per your exam schedule. While studying, taking short breaks and doing your favourite hobby, will refresh your mind, body and soul. Stay positive, stay calm and always believe that **I CAN DO IT AND NOTHING IS IMPOSSIBLE!**

A healthy body is a healthy mind! Avoid junk food, drink a lot of fluids and eat smart energy boosting diet. Six hours of sound sleep in the night will make you good all day, energetic and ready for studies.

"There are no secrets to success. It is the result of hard work, preparation and determination! In order to succeed, you believe that you can do well in the examination.

Our wishes for each and every student to do the best in the exams and come out with flying colours! **WISH YOU ALL THE BEST!**
