## ONSITE FIRST TERM EXAMINATION (IX & XI ): NOVEMBER - 2021

Dear Parents,

Greetings from Indian School Salalah!

The school has always taken its best efforts to provide the best education even during pandemic. The teachers are waiting for their students to get back to school and to return to normalcy. We are thankful to MOE for granting us the permission to open the school for students of KG to class XII by following the SOPs given by MOE and MOH.

We are opening the school in a staggered manner and onsite classes for students of X, XII and KG are already in progress. Now, we are happy to inform you that the students of classes IX and XI can come to the school for their scheduled onsite First term Examination followed by regular onsite classes commencing from **Wednesday, 24<sup>th</sup> November 2021**.

During the online meeting conducted on 28<sup>th</sup> October, 2021 a few parents requested for online examination and as per the discussion the matter was taken to the Academic Sub Committee, SMC and to the internal Academic Committee of the school and all the members unanimously decided to conduct onsite examination as we did for classes X & XII. The academicians are of the opinion that the onsite examination will give confidence to the students, besides these onsite examinations will help both the students and the teachers to know the academic level, based on which corrective measures can be taken at the right time.

We are also aware of the fact that few students **are not here in Salalah** and for those students alone, we will have **onsite examination from December 5, 2021 to December 9, 2021**. In case, the students remain absent on these dates they **will be marked as absent**.

Kindly note **as per the date sheet given only onsite examinations will be conducted** and it's mandatory for every student to have taken at least the first shot of vaccination. The students are also advised to take the second shot as per the schedule and should report to the class teacher to update the school record.

The guidelines and the protocols to be followed while entering the school premises will be shared by the class teachers shortly.

Best regards,

Deepak Patankar,

Principal
