

INDIAN SCHOOL SALALAH

(Circular No. ISS/DP/017/2021-22 Dated : 26/07/2021)

Dear Parents,

Greetings from Indian School Salalah !!

I hope all of our students enjoyed their summer break and are eagerly waiting for the classes to commence. This is in continuation of my previous communication vide circular no. ISS/DP/003/2021-22 dated 06/04/2021.

The current pandemic situation is not totally under control, hence we all need to follow the COVID protocol strictly given from Ministry of Health and ROP. You are requested to refer the following points and do as advised.

1. **Admission :** Admissions are open for KG to Class VIII. Those parents who wish to take admission for their children can visit our school website (www.indianschoolsalalah.com) and follow the procedures accordingly. You are also requested to inform your friends whose children wish to take admission in Indian School Salalah.
2. **Transfer Certificate :** Those parents who wish to apply for the TC of their ward are requested to visit our website and fill the withdrawal form. Kindly note the fees will be applicable till the date of application of TC.
3. **School App :** We have observed that very few parents have downloaded and using school app which provides all the relevant information. Hence, are requested to follow the following procedures to download the app on your android phone.

ISS CAMPUSLIVE, the Android App of Parent Portal has been launched. Android users can Download and Install the App to view Circulars, Newsletters, Learning Resources, Home-Work, School News, Event Update, Student Attendance, Student Library transactions, details of Fee Paid/Outstanding, and many more.

Download link : <https://play.google.com/store/apps/details?id=com.stellar.iss>

How to Login?

Parents must use their existing parent portal username and password to gain access.

Forgot/Don't know username and password: If you do not know your login credentials, please contact class teacher of your ward.

iOS version will be released soon.

4. **Fees:** We have observed that many parents are finding it difficult to pay fees in the Bank. Such parents can avail the facility of paying school fees at school counter. However, we strongly encourage parents to use online payment mode in the current scenario. For online payment details and procedures, kindly visit our school website. Those parents who are coming to school to pay the fees must strictly follow the COVID protocols. You are also advised not to get your children to the school for any work.

We have also observed that there are number of parents whose previous outstanding fees are due. We once again remind you to clear the dues and share those details to the respective class teacher.

Parent are also reminded once again that all the official communication will be online and you will not come physically to school to collect or submit any documents until and unless you have been called. When office staff call you to visit school, you are requested to strictly follow the timings mentioned for your visit which will help you to complete your work on time and will avoid inconvenience for the other visitors.

Your co-operation in this regard is highly solicited.

I once again on behalf of School Management committee and Staff welcome you back for online classes after the summer break. The respective class teachers of your ward will inform if there is any change in their regular time table.
