# PRINCIPAL'S MESSAGE

Dear all,

We are elated to release the last volume of the Newsletter for the AY 2021-22. It is hard to believe that another school year has passed so quickly since we had to adapt to the changing circumstances frequently. The effort was to adjust to the 'new normal'. Despite the constantly evolving situations, our students and staff have persevered together and grown stronger. As a result, it had been a rewarding year – one filled with accomplishments.

I am proud that our staff, students, parents and the community as a whole had risen to the challenges and adapted to the situation very well. With their support and cooperation, we were able to conduct Term 1 CBSE Board Exams for Grades 10 and 12 onsite successfully. It has definitely been a team approach that has allowed IS Salalah to sustain focus during this unparalleled pandemic. Moreover, our school had also endeavoured to continue in providing a holistic education to all students through new ways of organizing school programmes and activities which were responded well with appreciation and gratitude by our students and parents. As a result, IS Salalah carved its name once again in the annals of Indian School Talent Fest, Indian School Film Fest, World Hindi Divas and many other inter-school competitions. With optimism, we look forward to Term II CBSE board exams and a good year ahead and embrace all the challenges with confidence, dedication, and resilience.

I assure you that we at IS Salalah will continue to provide quality education and school experience for all the students and mould them into empathetic global citizens. Thank you for another wonderful and productive school year and we hope to get back to the level of normalcy that we were accustomed to in the past years and strive together for an excellent and wonderful year ahead.

Best regards,

Deepak Patankar

Principal

# ISS VISION AND MISSION

## Our Motto

*Tamasoma Jyotri Gamaya*

## Vision

Transforming lives of pupils globally by redefining knowledge ecosystems through passion, dedication, collaboration and innovation.

## Mission

To provide the highest quality of education through experiential learning in a safe, secure and child centric environment; to help our students to develop into progressive thinkers and lifelong bearers of skills that will prepare them for the challenges of a dynamically changing world with empathy towards every other human being.

## Quality Objectives

- To ENGAGE students in effective learning experiences by providing opportunities to have hands on experiences at least once in a month in each subject.
- To MOTIVATE students continuously to participate in scholastic and co-scholastic activities throughout their schooling days, which discovers their hidden potential and provide them ample opportunities to explore and develop their academic and soft skills.
- To EVOKE a sensitivity towards others and the environment through every day activities of the school.

# KINDERGARTEN SECTION

## COMMUNITY HELPERS (19/01/2022)

It is vital to introduce the concept of community helpers to kids to help them recognize, respect and trust people like firefighters, doctors, nurses, and the police who selflessly serve and protect their fellow beings.

## YELLOW DAY CELEBRATION (02/02/2022)

A day dedicated to the yellow color was celebrated on 2nd February. Children were asked to dress in different hues and tints of yellow. The motive of celebrating Yellow Day is to make children aware of the color, its significance and to develop fine motor skills in them. They spent the day with utmost enjoyment. Children did craft work and prepared food and liquid refreshment based on yellow theme.

## SEASONS FANCY DRESS (16/02/2022)

A season is a division of year based on the changes in weather. Learning about the seasons help children understand the passage of time and teaches them about change. To make children understand the season, a fancy dress show was organized online. Thus, enabling them to identify the names of each of the four seasons and explain why there are different seasons in different regions of the world.

## ART INTEGRATED ACTIVITIES

Art and craft activities help instill a sense of achievement and pride in children, boosting their self-confidence. The opportunity to create whatever a child desires helps foster creativity.

## SHOW AND TELL (S A T)

‘Show and Tell’ is an excellent Platform to develop oratory skills as it sets the stage for children to become comfortable when speaking in public and help them in planning their presentation and content by using different types of vocabulary and descriptive language. It also enhances their competence in fielding questions from their classmates

## HALF A MINUTE (H A M)

Half a minute is another speaking activity that helps to improve the articulatory skills in the kids. In this activity, a child will be asked to speak on the given objects for 30 seconds (half a minute)

## SENSORY ACTIVITIES

We use our senses to gather and respond to information about our environment, which aids our survival. Each sense provides different information which is combined and interpreted by our brain.

A sensory activity is any type of play or action that gives stimulation to our senses.

Thus, sensory activities were conducted to make kids aware of the power of our sense organs.

## LIFE SKILL ACTIVITIES

The objectives of life skill activities are to build self-confidence, encourage critical thinking, foster independence and help people to communicate more effectively and to provide opportunity for realizing one's potential through practical experience.

The activities conducted under life skill have undoubtedly boosted the confidence of the tiny tots.

## KINDERGARTEN GRADUATION CEREMONY-A.Y. 2021-22

Kindergarten graduation is an exciting milestone for children as it is their first step towards a future, full of hopes and possibilities. It marks a new beginning that adds new dimensions to their school life, and the journey they begin towards knowledge and education.

The Kindergarten of IS Salalah conducted its Virtual Graduation Ceremony on Thursday, March 17<sup>th</sup>, 2022. The pre-recorded video of the ceremony was shared in the Google Classrooms at 10 am by the respective class teachers. The ceremony started with a prayer song by UKG students followed by speeches from the President of School Management Committee Dr Syed Ahsan Jamil, Vice President Mr Sanjeev Singh, Principal Mr Deepak Patankar, Asst Vice Principal Mrs Anita Rose and the Kindergarten In-Charge Mrs. Anjali Radhakrishnan.

Both, the LKG and UKG children performed various programmes like dances, speeches and action songs. The teachers of kindergarten showered their blessings and wishes to the tiny tots.

Group photos of all the UKG classes were displayed and the ceremony ended with a vote of thanks by the students of LKG.

## FAREWELL FUNCTION ORGANIZED FOR CLASS X AT INDIAN SCHOOL SALALAH

## Gavel Club in IS Salalah

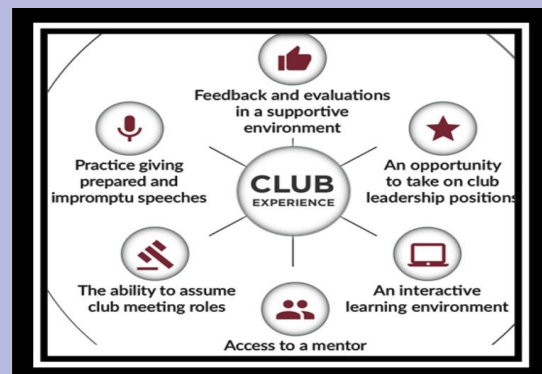

On 19 December 2021 at 5pm, the much awaited Gavel Club was inaugurated online. The inauguration was graced by the presence of the principal Mr. Deepak Patankar, AVP's Mr. Vipin Das and Mrs. Anita rose and Head of the English Department, Mr. Ramasamy. The inaugural was also attended by the members of the gavel club (students from grade 9-12) and the faculties of English Department. A speech craft workshop (Gavel club activities) is the most time-effective way to acquire skills of speaking, listening and thinking and evaluating-skills vital to almost all professions in today's world.

The Gavel Club activities are driven by four guiding principles :

- **Experiential learning** – By giving speeches and fulfilling leadership roles, you practice and improve.
- **Peer feedback** – Grow and improve your public speaking and communication skills through honest and supportive peer evaluation.
- **Mentoring** – Experienced mentors encourage, guide and support you in your goals and help you to achieve more than you thought possible.
- **Self-paced programmes** – Develop skills at your own pace and comfort level.

### What does the club experience offer ?

The first session of the Gavel club after the inauguration was on 27th January 2022. In this session, the mentors explained in detail the activities of the Gavel club to the participants. In the following two weeks, a full fledge activity was conducted by the members of the Gavel club. The members were assigned distinct roles like Toastmaster, speaker, Evaluator, Grammarian, Ah-counter and Time -keeper. They made full justice to all the roles assigned to them. The mentors and members were equally ebullient and exultant for accomplishing the true objective of the Gavel Club. With these three sessions, the Gavel Club wrapped up its activities for the academic year 2021-2022 and vowed to come up with exciting activities in the coming years.

# Report on IT club activities done in the year 2021-22

The department of Computer Science of Indian School Salalah observed International Computer Security Day under the skillful guidance of Mr. Shivithlal, ex-HOD Computer Science along with the IT teachers, Mr. K. Nandakumar, Mr. Mohammed Javed, and Mrs. Purnima Santosh. The activities were showcased with an array of activities in a live format on the zoom platform for 3 fruitful days, dated 30th Nov -2nd Dec 2021.

## DAY-1

The program got commenced with the welcome speech by Miss Shivani Nair and Miss. Janki Suresh of class VII. They extended a warm welcome to Dr. Syed Ahsan Jamil, President of School Management Committee and other esteemed members of the SMC, Principal, Mr. Deepak Patankar, AVPs, HODs, In-charges, teachers, and all the students of Indian School Salalah who joined the live session. Online Quiz by Mr. Mohammed Javed, Faculty Computer Science, introduced the children to a world of excitement and a great brain gym experience. It was followed by a demo on “Cyber Security Essentials” by Ashiq Ani John, which was an eye-opener to everyone and also a word of caution to the audience. To enlighten the background efforts of the game development, a presentation on the same was done by Marshal Angelo Christopher (Class 11) and Muhammad Omar Anis (Class 6). These presentations were eye-catching and inspiration to all the viewers to apply and implement their development skills. To top it up, Mrs. Harmit Pal, Chairman, Academic Sub-Committee addressed the gathering and shared her valuable views. It was great to hear her words of enthusiasm which fueled the students to achieve and dream more.

## DAY-2

Anchoring team comprised of Miss. Calista Raji Phillip, Mr. Abhishek Prasad, and Miss. Punnia Madhu, welcomed the audience. It was followed by an address by the Chairman, IT Sub-committee Dr. Muhammed Yousoof where he enlightened the significance of cyber security. He was full of praise for the initiative taken by the faculties of the computer department and commented that he is looking forward to witness many more programs in the future. The highlight of the event was free coding classes for students, conducted by Indian School Salalah in collaboration with Bright Champs. The session was led by Mr. Utkarsh Gupta, Head of Academic Relations.

He introduced their talented tutors Ms. Nisha Sharma, Ms. Sujata Poddar, Mr. Kartik Goel to train our students to batch by batch, 3 & 4, 5-9 and 11. Students had an experience of a lifetime by being a part of coding classes from Bright Champs. This session had correctly caught the curiosity of students as many inquiries started coming to in-house IT teachers about Bright Champs. No doubt the chance was greatly utilized and relished.

### DAY-3

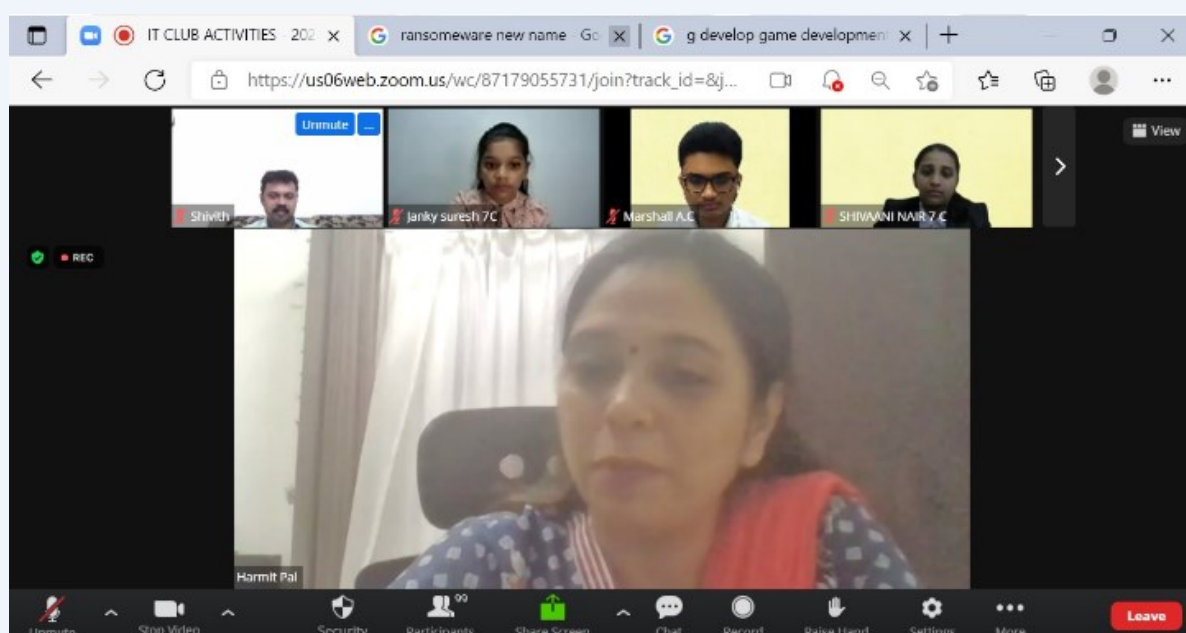

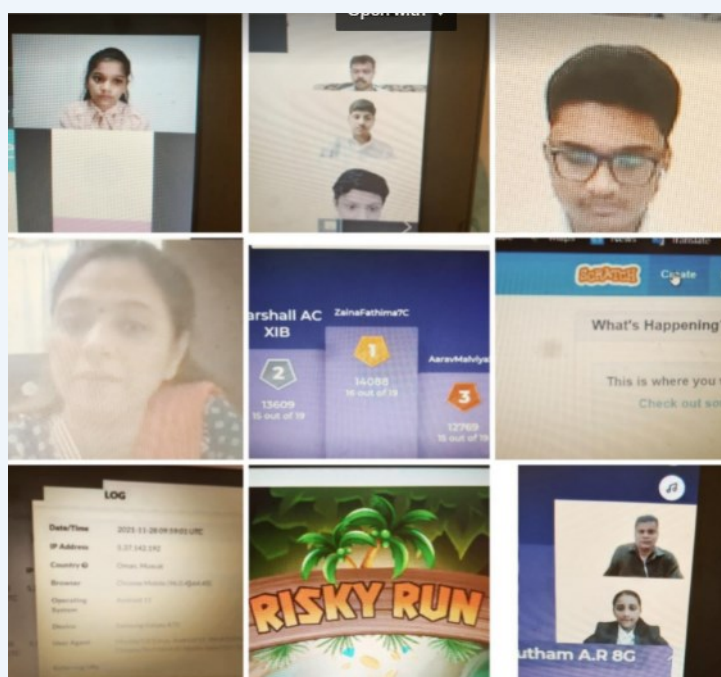

Another day of excitement and magic was kick-started by a vibrant anchor Miss. Calista Raji Phillip delivering a crisp welcome address. Mr. Sehel Biju, a student of class IX, did a presentation on "Design a 3D model". After witnessing the presentation students had a changed perspective about infrastructures around and were looking ahead to try 3d modeling tools thereafter. Followed was a workshop on "Canva" by Mrs. Purnima Santosh, Faculty, Computer Science. After the workshop, students started believing in creating and collaborating with "Canva". Mobile apps are the support system of our routine chores, and a presentation on mobile app development was presented by Master. Savio Xavier to the audience, which was highly appreciated by the students. And on public demand, the Online Quiz, which was conducted on the 1st Day of the event was repeated, and the delight of the students to be a participant was given a second chance. At the end of the program there was an exciting felicitation speech by Dr. Navneetha Krishna, member IT sub-committee, who was full of praise for the initiative of event and resourcefulness. He made it very interactive by asking some fun facts about IT influence in the world and also cheered students to aim high and believe that nothing is impossible. All this was a great end to the 3 Day event.

On behalf of the Dept of Computer Science, the anchor expressed heartfelt gratitude to HM Sultan Haitham Bin Tariq Al Said for his benevolence and generosity. She extended her sincere gratitude to Dr. Syed Ahsan Jamil, the President of the School Management Committee, other esteemed committee members. She thanked Mr. Deepak Patankar, Principal, AVPs Mrs. Anita Rose and Mr. Vipindas, In-charges and HODs, teachers, and all the students and online viewers of the program. She also mentioned special thanks to Mr. Shivithlal, ex HOD Computer Science, Mr. Nandakumar, Mr. Mohammed Javed, and Mrs. Purnima Santosh, and other IT staff for the efforts taken to conduct the program smoothly.
