

INDIAN SCHOOL SALALAH

(Circular dated 08/02/2018)

Dear Parents,

Greetings and many Congratulations!!!

In an attempt to expose more students to the opportunities of higher education and connect them to the SAT, Indian School Salalah had been persuading to get the test centre in Salalah and finally we are happy to announce that **the College Board has approved Indian School Salalah as its Regional SAT Test Centre with immediate effect.** The news has come as a relief for many aspiring Indian School students who had to travel to the capital to appear in the SAT exam.

The approval comes as a result of the continuous efforts and follow up by Dr. Debashish C Bhattacharya, the President of the School Management Committee, the members of SMC and the School Principal, Mr. T.R. Brown.

The test centre will benefit not only the Indian community, but also anyone who would like to appear in the SAT exam from the region. The Centre code is 52560 and has 40 seats. The Centre is open for the exam that is scheduled from 5th May 2018 onwards.

Regards,

**T R Brown
Principal**
