

FEE PAYMENT

Dear Parents,

Greetings from Indian School Salalah!

This is a gentle reminder to those parents who are yet to clear their outstanding fee of the previous academic years as well as the current year. If you have already paid it, kindly ignore it.

A **No Due Certificate** will be issued to all the students who have paid their total fee including their previous outstanding. **Examination Admit Cards** will be distributed to the students by the class teacher, one week prior to the Final Examination.

We have received requests from many parents to extend the fee counter timing to make it convenient for them to pay the fee. Hence, the fee counter will be kept open from 7: 30 am to 6:00 pm on all the working days, and from 8:00 am to 1:00 pm on all Saturdays, till the end of March 2023. However, we also encourage the parents to use the online payment mode. For more details regarding the online payment procedure, kindly visit our school website- www.indianschoolsalalah.com

We expect your cooperation and support as always.
