'AVENIR 2019'

Dear Parents,

Avenir is a French word meaning **'the future way'**. True to its name, AVENIR 2019.

Over the years, the Board of Directors of Indian Schools in Oman has been trying to create a common platform for all the students in the 20 schools to have an interaction with experts from various career industries. Sharing their experiences and learning would be beneficial to students. To enable the students of Classes IX to XII from the Indian Schools of Oman to get the best out of this event, **AVENIR 2019** has arranged a two day event which includes **Panel Discussion, Career talks, Career Seminars and Motivational Speech by Prof. L S Ganesh, Dept. of Management Studies, IIT Madras.**

AVENIR 2019 will be held **at INDIAN SCHOOL AL SEEB on 10th & 11th October 2019.** A fixed number of seats are reserved for the Inaugural session, Motivational Talk and Panel Discussion.

Parents who are willing to send their wards for AVENIR 2019 are requested to fill the consent form given below along with RO 14/- towards transportation charges, and submit the form to the class teacher on or before Sunday, September 08, 2019.
