As you know that , the entire world is suffering with COVID-19 and its' effects, the school too faced lot of challenges in the last academic year , however with the support of parent and staff we were able to complete the academic year 2020 – 21 successfully.

- As you all know that Ministry of Health and Ministry of Education has given certain guidelines for the school to follow and as of now other than board examinations of classes X and XII , all the other school activities will be continued online.
 - I once again urge all the staff, student and parent to strictly adhere to the protocols and instructions given by Ministry of Health, this will not only help you to protect yourself but also the community at large.
 - Online classes for Grade 1 onwards will commence from Tuesday, April 6, 2021 as per the schedule shared by the class teacher, however on Monday, April 5, 2021 the class teachers will have orientation for the students and parents together, which will help you to know more about the online classes. Everything regarding the online classes/assignments/exams will be discussed by the class teacher tomorrow during the orientation session.
 - Online classes will begin in morning hours during the holy month of Ramadan. After Ramadan the duration as well as the timing will be changed which will be intimated by the class teachers.
 - As per the information received by the publishers the book consignment will reach us by the 2nd week of April. We are constantly in touch with the Port of Salalah to know about the status of our text book consignment. Hence, we assure you that the school is taking the best efforts to provide text books to our students as early as possible. As soon as we receive the text books, we will intimate the schedule of text book distribution for each class. Till then the teachers will be providing you the soft copy of text book.
 - Those parents who are out of Salalah and if your ward is attending online classes, you are supposed to intimate the respective class teacher and Principal by sending a mail which specifies the date of arrival to Salalah. If and only if we receive this mail your ward will be admitted in the respective Google classrooms.
 - As you all know that School Management Committee has given the facility of monthly fee payment instead of Quarterly payment in order to reduce the burden of parents during this pandemic time, kindly make use of this facility and ensure to pay the fees monthly without any delay. Parents are also encouraged to avail online payment facility but kindly ensure to fill the correct information of your ward including GRNO and School name. Kindly send the soft copy of the payment details to accounts section and the class teacher.
