Dear Parents,

Subject: ASSET – A Diagnostic Skill Based Assessment

ASSET is a Diagnostic Skill Based Assessment. Educational Initiatives (EI) - an Ahmedabad based research organization, founded by a group of IIM – Ahmedabad alumni. Over 3000 schools have incorporated ASSET as a part of their curriculum and over 1 million children have taken ASSET so far over the past ten years. ASSET is a unique test that checks the depth of students understanding on every topic. All students will receive a Certificate and the ASSET MyBook. ASSET MyBook is a personalized instructional material for each student based on the results.
