

INDIAN SCHOOL SALALAH

(Circular Dated: 17/04/2013)

***Educational tours** are learning experiences outside the classroom. These trips supplement classroom learning by providing students with an opportunity to see the actual places, artifacts, flora and fauna, or phenomena that are described in textbooks and lectures. They also enrich the students' experiences by exposing them to situations that are new to them.*

The school is organizing educational trips to "The Himalayas" and "Malaysia" to the students of Classes VI to XII during second week of May 2013. The details are as follows.
