EXTENSION OF GURUKULAM CLASSES FOR X & XII

Dear Parents,

Greetings from Indian School Salalah!

Gurukulam classes have been in progress for classes X and XII to the students who have secured less than 35% in any subject. Since there is a ban on private tuitions, the school management and administration have decided that special gurukulam classes will be conducted free of charge in specific subjects that are mentioned below for all other students too who don't fall into that category.

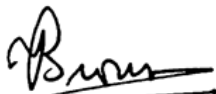

You can now avail this opportunity for your ward to attend these classes on the following subjects:

Classes X- Maths, Science & Social Science

Classes XII- Maths, Physics, Chemistry, Economics, Accountancy & Business studies.

These classes will be conducted from Monday, October 08, 2018 twice a week per subject for the duration of one and a half hour each. The timings will be from 2.30 pm to 5.45 pm.

Parents who are willing to send their wards for any subject/subjects are requested to fill the consent form given below and submit the form to the class teacher on or before Thursday 4th October, 2018.
