- ☀️ Parents should reach on time to take his/her ward(s) on time after dispersal.
- ☀️ Students should bring water bottles from home (Water coolers are available at school and water can be refilled)
- ☀️ Students should bring a cap so that when they leave the school premises they are not under direct sun.
- ☀️ Parents are requested to pack some fruits along with the snacks sent to school.
- ☀️ Students are not permitted to play in the school playground till 5 pm.
- ☀️ Parents are requested to advise their wards to stay under a shade or inside the classroom till their vehicle reaches near the school gates after dispersal.

Together let us educate our children to be precautious during this summer time.
