

INDIAN SCHOOL SALALAH

(Circular Dated: 27/08/2019)

Dear Parent,

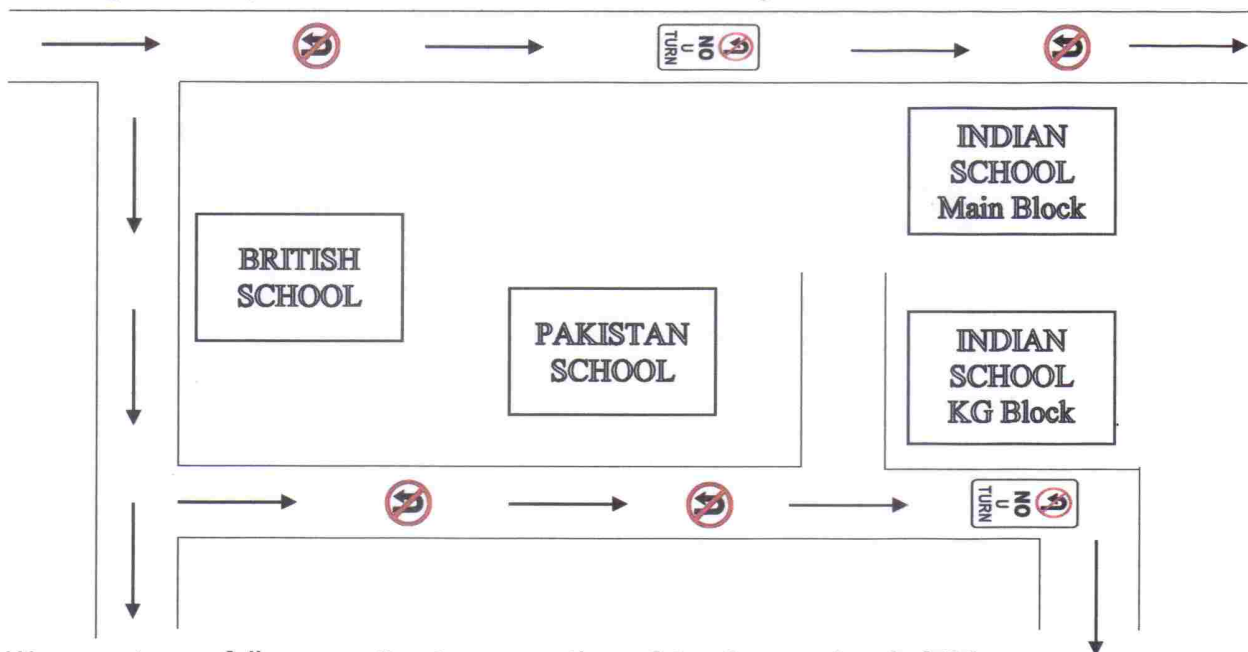

Subject: - Traffic and Safety

Greetings from Indian School Salalah!!!

We, at Indian School Salalah is committed to ensure the safety of our children. In this regard, we are trying to regulate the traffic during the busy pre/post school hours in order to avoid congestion and accidents. School staff/volunteers are on duty outside during mornings and afternoons. Your support and cooperation will help us improve the traffic related problems before and after school hours. You are requested to cooperate with our staff/volunteers and follow the traffic rules:

- Parents using their own transport are requested to exercise caution and traffic discipline in the proximity of school while picking and dropping the children.
- Kindly park your vehicles in the parking lot instead of parking on the road causing inconvenience to others and lead to traffic congestion.
- **Please do not take U-turn near the school gates.** You are advised to stop the car, pick up your ward and drive straight to reach the main road.
- Kindly avoid parking your vehicles in the "NO PARKING AREA" adjacent to the school gates.
- **You are requested to follow the instructions by our staff/volunteers and not to get into arguments with them as we are working for the safety of our school children.**

As we understand the value of your time, we have taken these measures to ease the traffic block in front of the school. Your support in this regard will definitely be very important to us in ensuring the safety of students. Please adhere to the diagram shown below.

We expect your full cooperation to ensure the safety of **our school children**.

Regards,

Deepak Patankar
