- Customised learning plans designed to foster growth and development.
- Specialized education services for conditions like Autism Spectrum Disorder, Attention Deficit Hyperactivity Disorder, Down Syndrome, Cerebral palsy, Learning disabilities, Epilepsy, and other conditions
- Individual remedial therapy sessions
- Training in mainstream schools for inclusive education

#### Behavioral Therapy:

- Strategies and interventions to improve behavior and social skills.
- Conduct comprehensive behavioral assessments to identify the specific needs and challenges of each child.
- Set specific, measurable goals for behavioral change and improvement.
- Implement evidence-based interventions to address a wide range of behavioral issues
- Design and implement behavior modification programs to reinforce positive behaviors and reduce negative ones

#### Speech Therapy:

- Enhancing communication skills for better interaction and understanding.
- Conduct comprehensive Speech and Language assessments to identify speech and language disorders.
- Develop individualized treatment plans based on assessment results.
- Provide one-on-one therapy sessions tailored to the child's specific needs.
- Focus on improving articulation, fluency, and voice quality.

#### Parent Training:

- Empowering parents with the tools and knowledge to support their children.
- Psychoeducational assessments, Diagnosis, and Guidance to Parents

#### Counseling:

- Emotional and psychological support for children and their families.
- Provide one-on-one counseling sessions tailored to the child's specific needs.
- Help children develop coping strategies to manage stress, anxiety, and other emotional difficulties.
- Provide guidance and support to parents and siblings, helping them understand and cope with the child's needs and behaviors.

At Indian School Salalah, we believe in providing a supportive and inclusive environment where every child can thrive academically and socially. Our CSE wing is staffed with experts in the field of special education who are committed to tailoring educational experiences to meet the unique requirements of each student, from KG to XII.
