**CHAIRMAN'S MESSAGE TO STUDENTS APPEARING FOR BOARD EXAMS**

Dear Students,

I extend my best wishes to all the students who are appearing for Board examination this semester. I am confident that you are well-prepared for this important milestone in your academic life; your determination and talent will help you achieve success in your examination.

With all the preparations, concentration and hard work you may still need that extra 'push' or 'divine support' which will enable you to excel in true sense. For this, take the blessings of your parents and teachers, as I know, that even the best of students fumble at times under stress and it is at these precarious moments that their blessings will help you.

On behalf of the Board of Directors, Indian Schools in Oman, I extend my best wishes and sincerely hope that you gain all the strength and determination to focus on your studies and readiness for these examinations, so that each one of you do your best and achieve new heights in your life.

May your wishes be truly realized in terms of achieving academic excellence.

With best wishes

Dr. Sivakumar Manickam  
Chairman
