Save the earth

Earth day

A virtual celebration of Earth day was well received by the primary section students of classes 1 to 4 on 5th June, 2020. It was celebrated as a one week programme. The students actively took part in the activities for the whole week like helping mother to lay the table with green coloured dishes and enjoy a healthy green lunch with family, making ecofriendly paper bags. A check list was made to ensure that they take care of Mother Earth. Beautiful micro garden activity was the highlight of this celebration. The celebration ended with the students recording their videos of taking the pledge to save the Earth.

MOTHERS' DAY

Every Mother is the queen of her family and rightly deserves a Special Day dedicated to her. Mother's day was celebrated on 10th May, 2020. Students presented their mothers with beautiful handmade cards and handmade beautiful crowns which did bring smiles on the faces of all the moms. The pictures of all the moms glowing with happiness and bright smiles said it all.

PARENTS' DAY

The most precious gift that God has given us is our parents. Students observed the Global parents Day On 1st of June. To create a memory during this lockdown the families had made hand imprints cut outs and created a collage to acknowledge the togetherness of a family.

ENVIRONMENT DAY

Being connected to nature is one of the basic lessons the young students should be encouraged to learn. The skills of observance, love, care and kindness is highly encouraged in order to bring about the connection to nature

Environment day was celebrated on 5th June 2020.. The students took an oath promising to take care of the environment. They made posters with captions. Students of classes 3 and 4 took part in the quiz sent to them. Students of classes 1 and 2 did their bit by making bird feeders to understand the importance of taking care of the environment and of birds and animals.

Online Parents teacher meeting

The Primary section, organized a virtual PTM on 9th June, 2020. Links were shared with the parents to attend the meeting. Class teachers of all the classes met their students' parents on the day virtually.

ZERO FOOD WASTE DAY

To be a part of the 'Zero food waste campaign' by the UN, students of classes 1 to 4 shared a photo of a finished meal with a hash tag #zero food waste.

YOGA DAY

Yoga is the essence of adding energy, strength and beauty to the mind, body and soul. Students of classes 1 to 4 celebrated International Yoga day on 21st June, 2020. All the students actively participated by doing a session on yoga as demo videos were sent to the students.
