PARKING REGULATIONS AND SAFETY COMPLIANCE

Dear Parents,

Greetings from Indian School Salalah!!

It has been brought to our notice by the local authorities that several vehicles belonging to parents are being parked on the opposite side of the school premises near the café and nearby shops. The shopkeepers have raised their concerns regarding this matter, and the authorities have expressed serious concern over the issue.

In compliance with the instructions received from the authorities, all parents are **advised not to park vehicles on the opposite side of the road or in front of the café and nearby shops.**

Parents are requested to park their vehicles towards school side wall extending till the mall. Kindly cooperate and follow the directions of the school security and staff at duty during pick-up and drop-off times. Your cooperation is essential to ensure smooth traffic flow and to maintain the school's good standing with local authorities.

Furthermore, parents are **expected to pick up their wards immediately after the school dispersal.** Students should not be made to wait unnecessarily after school hours, as this can cause inconvenience and raise safety concerns.

Your cooperation is essential to ensure smooth traffic flow, student safety, and compliance with local authority guidelines. We kindly request your full support during regular school hours, as well as for events held at the school.

Thanks for your understanding and cooperation as always.

With regards,

DEEPAK PATANKAR
Principal
