Circular No. ISS/DP/04/2026-27

Date: 08/04/2026

To : Parents of the Students of Classes X & XII

Subject : Additional Instructions Time and Block Teaching for Core Subjects

Dear Parents,

Greetings of the day !!

As per the directives of the Board of Directors, Indian Schools in Oman and in line with the instructional time requirements stipulated by CBSE, New Delhi, the school will be implementing additional measures from the academic year 2026-27.

An extra instructional period will be included in the daily timetable for Classes X and XII, dedicated to strengthening learning and ensuring adequate coverage of the syllabus.

In addition, core subjects for Classes X and XII will be taught in one-hour block sessions on Saturdays, giving students focused learning time and helping them engage more deeply.

These steps are being introduced to ensure that our students receive sufficient instructional hours and are well prepared for their CBSE Board Examinations.

We seek your cooperation and support in encouraging your ward to attend these sessions regularly and make the best use of the additional learning opportunities. There will be a slight change in arrival and dispersal time. The timetable will be shared by the class teachers soon.

Warm Regards,

Deepak Patankar
Principal
