

# INDIAN SCHOOL SALALAH

## CIRCULAR TO PARENTS

[GRADES VI - XII]

Circular No. ISS/DP/007/2026-27

Date: 11.05.2026

Dear Parents,

Greetings from Indian School Salalah!

We are pleased to inform you that the Central Board of Secondary Education (CBSE), in collaboration with the Automotive Skills Development Council (ASDC), has launched the **National Automobile Olympiad (NAO) 2026 for**

**students of Grades VI to XII.**

The Olympiad aims to promote and nurture automotive skills among students by providing exposure to emerging technologies and future-ready skills in the automobile sector. The programme offers students an excellent opportunity to enhance their practical knowledge, problem-solving abilities, and industry awareness through engaging and skill-based activities.

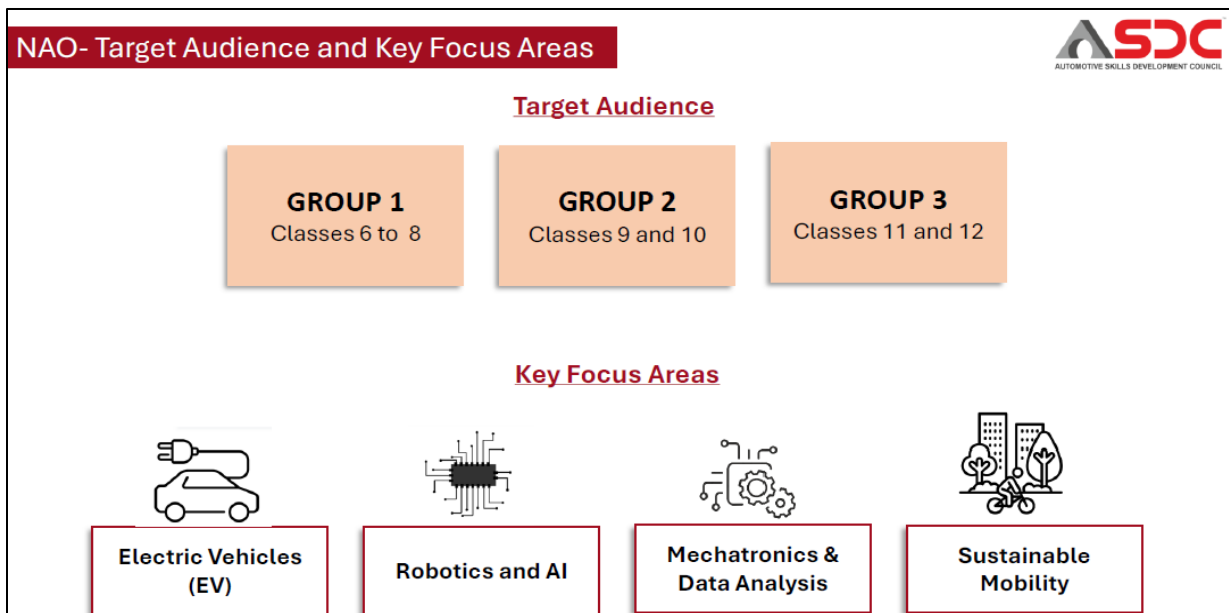

### **Key focus areas of the Olympiad include:**

- Electric Vehicles (EV)
- Robotics and Artificial Intelligence (AI)
- Mechatronics and Data Analysis
- Sustainable Mobility

The Olympiad will be conducted in multiple stages, including:

- Online Qualifying Round
- Regional Round
- National Finals

**Participation is free of cost and open to students from Grades VI to XII.**

Sample papers of the Olympiad are provided for reference.

Parents are encouraged to motivate their wards to participate in this prestigious national-level initiative, which aligns with the vision of developing innovation, technical awareness, and future-ready competencies among students.

Students registered through school will receive the test link on the individual registered email id.

Registration Link:

<https://forms.gle/V5b9BxhFHrfQEdqRA>

**Last date for registration: 30<sup>th</sup> May 2026**

With Regards

**DEEPAK PATANKAR**  
**PRINCIPAL**
