**General Instructions**

- ❖ Read the questions carefully.
- ❖ Write neatly.

**SECTION A – Reading**

**Q.1. Read the passage carefully.**

1. The river flows down the mountain, across the plains and into the sea. Many animals live near different parts of the river. The river begins high in the mountains. There is a lot of snow. The snow melts and the water moves down the mountainside.

2. The river flows quickly downhill. When there is heavy rain, the river flows even faster. The river drops down over high rocks before flowing. The water in the river carries along rocks. When the river leaves the mountains, it carries more mud and sand. The river flows into the sea.

3. At the edge of the sea, the river drops all the mud and sand that it has carried along. Plants grow in the mud. Animals feed in the muddy water. It is a long way from the mountain to the sea.

**Q.2. Read the poem carefully and tick the correct answers.**

Clouds are filling up the sky.  
The wind is blowing low and high.  
Soft raindrops are falling down,  
Pitter patter on the ground.

Then the rain begins to pour,  
Drip drop, drip drop, even more!  
The thunder claps behind the clouds,  
Boom, boom, big and loud.

Soon the raindrops will drizzle and slow,  
And we'll jump around in puddles below.  
The clouds will part to show the sun.  
The big rainstorm is finally done!
