

INDIAN SCHOOL SALALAH
CIRCULAR TO PARENTS
[GRADES III & IV]

Circular No. ISS/DP/014/2026-27

Date: 08.06.2026

Dear Parents,

Greetings from Indian School Salalah!

We are pleased to inform you that the classes of Grades III and IV will be shifted to the newly renovated KG Block with effect from **Monday, 3rd August 2026**.

The renovated block has been thoughtfully upgraded to provide a more comfortable, student-friendly, and engaging learning environment for our young learners. The new classrooms are designed to enhance the overall teaching-learning experience while ensuring a safe and pleasant atmosphere for the students.

Parents are kindly requested to note the change and ensure that students report to their respective classrooms in the renovated KG Block from the above-mentioned date onwards.

For the convenience of parents and students, designated **drop-off and pick up points** have been arranged near the KG Main Gate. A reference picture/map is attached along with this circular to help parents identify the correct drop-off and pick-up points for the smooth arrival and dispersal of students.

Parents are kindly requested to:

- Follow the designated traffic flow and drop-off instructions carefully.

- Avoid prolonged parking or waiting in the drop-off zone to ensure smooth movement of vehicles.
- Ensure that students arrive on time and proceed directly to their classrooms.
- Cooperate with the school staff and security personnel managing the arrival and dispersal process.
- Instruct students to use only the specified entry and exit points allocated for Grades III and IV.

Necessary guidance and support will be provided to the students during the transition.

We appreciate your continued support and cooperation.

With Regards

DEEPAK PATANKAR

PRINCIPAL

DESIGNATED DROP OFF AND PICK UP POINT FOR STUDENTS OF GRADES III AND IV
WITH EFFECT FROM MONDAY, 3RD AUGUST 2026

[Kindly follow the traffic movement as indicated by the arrows to ensure smooth and safe drop-off and pick-up of students.]

GATE FOR DROP OFF AND PICK UP AT THE NEWLY RENOVATED KG BLOCK
