

NEWSLETTER : GRADES V-XII

KALEIDOSCOPE VOLUME 1, 2026-'27

VISION

Transforming lives of pupils globally by redefining knowledge ecosystems through passion, dedication, collaboration and innovation

MISSION

To provide the highest quality of education through experiential learning in a safe, secure and child centric environment; to help our students to develop into progressive thinkers and lifelong bearers of skills that will prepare them for the challenges of a dynamically changing world with empathy towards every other human being.

QUALITY OBJECTIVES

- To ENGAGE students in effective learning experiences by providing opportunities to have hands on experiences at least once in a month in each subject.
- To MOTIVATE students to participate in a minimum of 10 age appropriate co-scholastic /scholastic activities every year.
- To EXPOSE students to age appropriate practices to sensitize them towards people and environment in every term of an Academic year

"Strong Beginnings. Bright Aspirations."

INDIAN SCHOOL SALALAH

MESSAGE FROM THE PRINCIPAL

◆ *Inspiring Minds.*

◆ *Nurturing Values.*

◆ *Empowering Futures.*

Dear Parents, Students and Members of the Indian School Salalah Family,

It is with great pleasure and a deep sense of responsibility that I welcome you to Indian School Salalah—a place where every child is encouraged to dream, discover, learn and grow. At Indian School Salalah, we envision education as a journey that goes beyond academic excellence. We believe that the true purpose of education is to unlock potential, build character and prepare young minds to make a meaningful difference in an ever-changing world. Our educational philosophy is rooted in a holistic and learner-centred approach. We seek to nurture not only the intellectual abilities of our students but also their emotional, social, physical, creative and ethical dimensions. Through engaging classroom experiences, experiential learning, sports, performing and visual arts, technology, innovation, leadership opportunities and community engagement, we provide our learners with a wide canvas on which to explore their interests and discover their strengths.

As a school that carries forward the rich heritage of Indian education in the vibrant and culturally diverse environment of the Sultanate of Oman, we place great value on respect, integrity, compassion, discipline and responsibility. We want our students to remain connected to their roots while developing the openness, confidence and global perspective needed to thrive in a rapidly evolving world.

Our dedicated and passionate teachers are at the heart of this journey. They strive to create classrooms where students are not merely recipients of information but active participants in the learning process—questioning, collaborating, creating, reflecting and finding joy in discovery.

We also recognise that a child's education is a shared responsibility. The partnership between the school and parents is one of the most powerful influences on a child's growth. We deeply value the trust you place in us and look forward to working together through meaningful communication, mutual respect and a shared commitment to the well-being and success of every learner.

As we embrace the opportunities and challenges of the future, our focus is not simply on preparing students for examinations, but on preparing them for life. We aspire to develop confident communicators, creative thinkers, compassionate human beings, responsible citizens and lifelong learners who have the courage to question, the wisdom to reflect and the determination to make a positive difference.

I invite you to explore our website and experience the vibrant world of Indian School Salalah—our achievements, our initiatives, our learning spaces and, most importantly, the enthusiasm and potential of our students.

Together, let us create an educational journey where every child feels valued, every talent finds an opportunity, every question leads to discovery, and every dream is given the wings to take flight.

I warmly welcome you to the Indian School Salalah family and look forward to a year filled with learning, growth, collaboration and new possibilities.

We thank our Board of Directors and School Management Committee for their constant guidance and support in providing all the facilities to our staff and students.

With warm regards,
Ms Saher M A Sayed
Principal

HUMANITIES STREAM

13 May 2026 – The Central Board of Secondary Education (CBSE) has declared the results of the Class XII Examination for the academic year 2025–26. Indian School Salalah proudly announces yet another year of outstanding achievement across the Science, Commerce, and Humanities streams.

Stream-wise Toppers

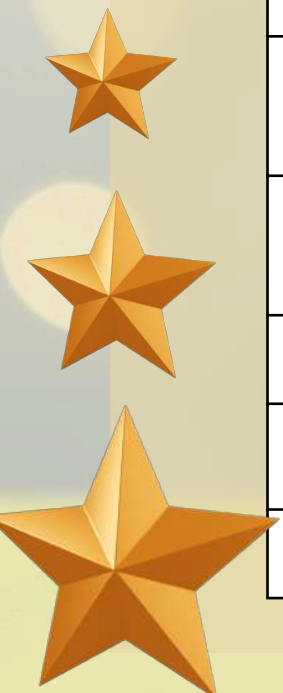

The school acknowledges the outstanding performance of its toppers across all three streams, whose dedication and hard work have brought laurels to the institution. This year marks a historic milestone for Indian School Salalah, with the Science Stream soaring to new heights as the topper, Bushra Huda, achieved an unprecedented 98.6%, surpassing the school's previous best of 98% and setting a remarkable new benchmark of excellence and a record of 106 centums have been secured.

Students have excelled across subjects, with numerous centum scorers in English, Mathematics, Biology, Computer Science, Informatics Practices, ENT and Economics. Notably, Bushra Huda, Akhilesh Prakash, and Zainab Fatima achieved perfect scores in multiple subjects, underscoring the school's strong academic foundation.

Subject toppers	No. of Centums
English	28
Mathematics	28
Informatics	26
Computer Science	13
Biology	9
Economics-Janna	1
Entrepreneurship	1

Stream	Name	Marks	Percentage	Position

	Akhilesh Prakash	488	97.60%	2nd
	Zainab Fatima	486	97.20%	3rd
Commerce	Aavani Cherikkalil	481	96.20%	1st
	Harshini Thamaraikannan	480	96%	2nd
	Fathima Rahma Marzook	479	95.80%	3rd
Humanities	Afnan	472	94.40%	1st
	Fathima Jusaina C K P	428	85.60%	2nd
	Abhinand B A	410	82%	3rd

INDIAN SCHOOL SALALAH EXCELS IN CLASS X CBSE BOARD EXAMINATION 2025-26

CBSE has released the results of the Class X Examination today 15th April, 2026. All 313 students of Indian School Salalah who appeared for the examination have successfully passed. This 100% pass result reflects the hard work of our students and the strong academic support provided by the school.

Top Achievers

Indian School Salalah proudly celebrates the outstanding performance of its toppers:

Aavany Sunil Kumar – 490 marks (98%) – 1st Position

Harshada Audumbar Pise, Beulah Mohan Sebastian, Dharsha Vigneswari

Saravanan – 488 marks (97.6%) – Joint 2nd Position

Angbin Nishad, Norah Meresh – 487 marks (97.4%) – Joint 3rd Position

Centum Achievers-Total 8 Centums (Arabic-5; Science-2; Maths Standard-1)

Congratulations!

The President of the School Management Committee, Dr. Syed Ahsan Jamil, Dr. Sanyo Moosa -Chairman, Academic sub committee, other members of SMC, the Principal Mr. Deepak Patankar, and the entire staff extended their heartfelt congratulations to all students and their parents. The school community takes immense pride in the dedication, discipline, and perseverance demonstrated by our learners.

Indian School Salalah remains committed to nurturing excellence and guiding students toward greater achievements.

INTER-SCHOOL ACHIEVEMENTS & COMPETITIONS

ISS SHINES AT THE MON AVIS POLEMIC INTER-SCHOOL DEBATE COMPETITION

His compelling arguments, confident delivery, analytical insight, and commanding stage presence earned him the coveted distinction of Best Speaker – First Runner-Up.

The President of the School Management Committee, Dr. Syed Ahsan Jamil, Principal Mr. Deepak Patankar, and the esteemed members of the SMC extended their heartfelt congratulations to Adit Madhav for his splendid accomplishment. They also appreciated his teammate, Miss Anandita of Class X, for her commendable contribution to the team's success. Special appreciation was expressed for Mr. C. T. Ramasamy for his able guidance and for the dedicated training team comprising Mrs. Rachel, Mrs. Divya, and Mrs. Renu, whose unwavering support, meticulous mentoring, and expert coaching paved the way for this grand success.

Indian School Salalah is immensely proud to announce that Master Adit Madhav of Class X has brought great honour to the school by securing the title of Best Speaker – First Runner-Up (Second Best Speaker Overall) at the prestigious Mon Avis Polemic Inter-School Debate Competition for the Ambassador's Trophy organized by Indian School Al Seeb under the aegis of the Board of Directors, Indian Schools in Oman,

The event witnessed fierce competition among 34 outstanding speakers representing 17 Indian schools across the Sultanate. Debating on the thought-provoking topic, "It is a waste of money to spend on space exploration when we have pressing problems on Earth," Adit spoke eloquently against the motion.

INDIAN SCHOOL SALALAH WINS SECOND POSITION IN DHOFAR UNIVERSITY- 7TH SCIENCE FAIR FOR HIGH SCHOOL

Students of Indian School Salalah took part in the 7th Science Fair for High School conducted at Dhofar University-Salalah, competing in three different domains. The school achieved remarkable success by securing the Overall Second Position in the event.

Highlights of the Event

In the Computer Science domain, a team of Class X students—Joshua Sunil Thomas, Nithin Srinivasan, and Adrian Ninzo Thomas—presented an innovative and future-oriented project titled "Teacher Bot – A Complete Teaching Companion." The project was designed as an intelligent educational assistant to support both teachers and students in the learning process. It was developed using Python, ensuring flexibility and scalability, and integrated Text-to-Speech (TTS) Intelligence to enable interactive and accessible learning experiences.

A key highlight of the project was the use of Generative AI tools (GPT-based models), which allowed the bot to simulate real-time teaching support by answering queries, explaining concepts, and enhancing student engagement. The project focused on improving the effectiveness of classroom teaching through AI-driven interaction and personalized learning. The team demonstrated excellent technical skills, creativity, and practical application of modern technologies. Under the guidance of Mohammed Javed (HOD) and Shiny Miracle, the team secured the First Position.

In the Biology domain, the project "BIO-BRIDGE" was presented by Thayaba, Priyadarshini M, and Hanna Elsa Alex of Class XI under the guidance of Mrs. Sandhya Somasekaran, securing the Second Position.

In the Chemistry domain, the project "Electrolysis & Fuel Cell Propulsion in Rocketry" was presented by Muhammed Faizan Firoz, Aditya Bhuwan Chandra, and Joseph Jose of Class X under the supervision of Mr. Sunit Garg, securing the Third Position.

Both projects were carried out under the overall supervision of Mr. Shinoj Thomas (HOD – Science).

President SMC Dr. Syed Ahsan Jamil, along with the entire School Management Committee and Principal Mr. Deepak Patankar, congratulated the students and the respective departments for their commendable achievement.

LEADERSHIP, EVENTS & SCHOOL INITIATIVES

STUDENTS' COUNCIL ELECTION & INVESTITURE CEREMONY 2026-27

ELECTION

A Celebration of Democracy, Leadership, and Responsibility

Indian School Salalah marked a significant milestone in its leadership calendar with the successful conduct of the **Students' Council Election 2026-27**, followed by the prestigious **Investiture Ceremony** held on **25 May 2026**. Together, these events reflected the school's commitment to nurturing democratic values, responsibility, and student leadership.

STUDENTS' COUNCIL ELECTION 2026-27

Experiencing the Spirit of Democracy

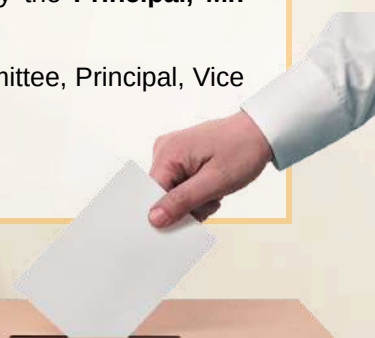

To provide students with a real-world experience of democratic participation, the **Students' Council Election**—one of the most anticipated events of the school year—was conducted on **30 April 2026**. Students of Grades XI and XII participated enthusiastically, exercising their right to vote with maturity and responsibility.

The election process began earlier on **16 April 2026** with **House Own Day**, during which nominations were filed. The entire process was conducted in a transparent and well-organised manner under the supervision of the **School Election Committee**, ensuring fairness and discipline at every stage.

A special highlight was the **'Meet the Candidates'** programme, where nominees addressed the student body, presenting their ideas, plans, and vision for the school. The results were announced by the **Principal, Mr. Deepak Patankar**, amidst great anticipation and applause.

The newly elected council members were congratulated by the School Management Committee, Principal, Vice Principals, and teachers, who encouraged them to lead with integrity and dedication.

INVESTITURE CEREMONY

Formal Induction of the Student Leadership

The democratic process culminated in the **Investiture Ceremony**, held on **25 May 2026**, where the newly elected Student Prefectorial Body was formally inducted into office. The solemn occasion marked the beginning of a new chapter of leadership, responsibility, and service.

The ceremony commenced with an invocation followed by the National Anthem. **Miss Surya Unnikrishnan**, Deputy Head Girl, welcomed the gathering.

A defining moment of the event was the ceremonial handing over of the **School Flag** by Principal **Mr. Deepak Patankar** to the newly elected **Head Boy, Master Rithish Sudarmani**, and **Head Girl, Miss Zaina Fathima**. This symbolic gesture represented the transfer of trust and responsibility to the new council.

The Boy Captains and Girl Captains of the four houses—Amber, Coral, Emerald, and Sapphire—were presented with flags and placards by their respective House Masters and Mistresses. The President of the School Management Committee, **Dr. Syed Ahsan Jamil**, along with Principal Mr. Patankar and distinguished members of the SMC, conferred badges upon the council members and house office bearers.

The **oath-taking ceremony**, administered by the Principal, was one of the most inspiring moments of the programme. The newly inducted leaders pledged to uphold the values of the school with sincerity, integrity, and dedication.

In their addresses, the **Head Boy and Head Girl** expressed gratitude for the trust placed in them and reaffirmed their commitment to serve the school community with unity and determination.

The ceremony concluded with a Vote of Thanks delivered by **Master Allan Jojo**, the newly inducted Cultural Secretary (Boy). The event left the audience inspired and reaffirmed the school's mission of cultivating confident, responsible, and service-oriented leaders.

A Unified Journey of Leadership

From the democratic election process to the formal investiture, Indian School Salalah successfully nurtured a culture of leadership rooted in responsibility, teamwork, and service. The newly appointed council is poised to lead with vision and uphold the proud legacy of the school.

LEADERSHIP, EVENTS & SCHOOL INITIATIVES

STUDENTS' COUNCIL ELECTION & INVESTITURE CEREMONY 2026-27

The Central Board of Secondary Education (CBSE) organized the Reading Challenge 2025-26 during the second quarter of the academic year (August–October 2025). This national initiative aims to cultivate a sustainable reading habit, enhance linguistic proficiency, and fortify critical analytical skills among students from Classes 6 through 10.

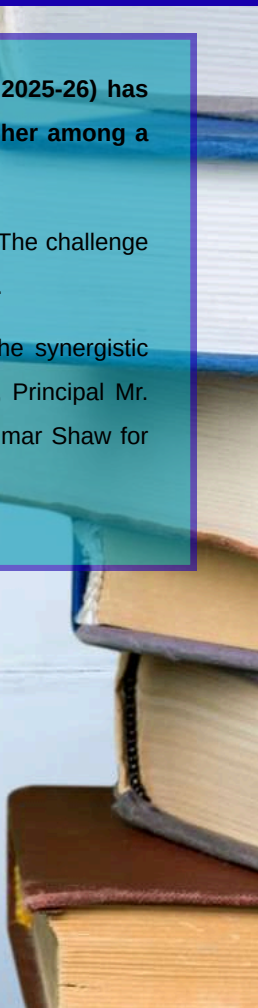

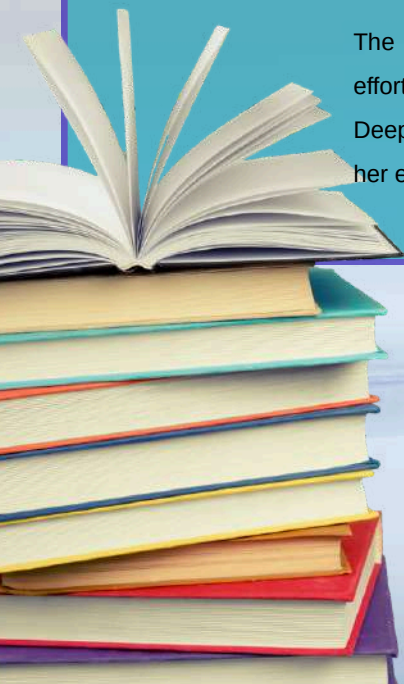

CBSE READING CHALLENGE

Registration Link of CBSE Reading Challenge 2025-26

It is a matter of immense pride for the institution to announce that Miss Snehli Kumar Shaw (Class 7 G 2025-26) has been honoured with the Appreciation Award in the Classes 6–7 category. Her performance distinguishes her among a competitive cohort of participants at the national level.

Indian School Salalah maintains a distinguished tradition of participation in the CBSE English Reading Challenge. The challenge serves as a vital platform for students to refine their vocabulary, textual comprehension, and interpretive capabilities.

The successful execution of this programme and the achievement are a testament to the synergistic efforts of the members of English faculty, The President of SMC- Dr. Syed Ahsan Jamil, Principal Mr. Deepak Patankar and other members of SMC extend their appreciation to Miss Snehli Kumar Shaw for her exemplary performance.

INDIAN SCHOOL SALALAH NURTURES “HEALTHY SMILE” AMBASSADORS THROUGH HSE DENTAL AWARENESS SESSION

Smile

SALALAH, May 6, 2026 — The auditorium at Indian School Salalah came alive with excitement and curiosity as students of Classes 5 and 6 gathered for a lively and meaningful session on dental health. Organised by the HSE (Health, Safety, and Environment) Club, the session on “Dental Hygiene and Healthy Living” left students not only informed but truly inspired.

The highlight of the day was the presence of Dr. Abubacker Siddique, a renowned Consultant Dentist, who connected instantly with the young audience through his warmth and passion. With his longstanding association with the school—as a former President and current Member of the School Management Committee—his visit felt both special and personal.

Rather than delivering a formal lecture, Dr. Siddique turned the session into an engaging learning experience. He spoke about how oral health is closely linked to overall well-being, helping students understand that caring for their teeth goes far beyond just having a bright smile. Using simple explanations, he introduced them to the different types of teeth and their functions, making the “anatomy of a smile” both fun and easy to grasp.

One of the most impactful moments came when he explained how cavities form—and more importantly, how they can be prevented through simple daily habits. His practical tips were easy for students to follow, making good dental care feel achievable.

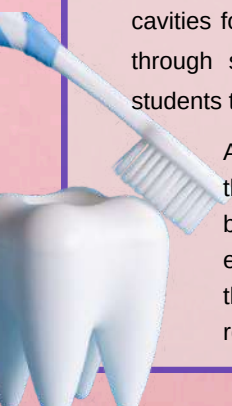

A clear favourite among the students was what he called the “Soft Secret”—his advice to always use a soft-bristled toothbrush to protect gums and to replace it every four months. To bring this to life, he demonstrated the correct brushing technique, turning an everyday routine into something students were eager to practise.

The session ended on a high note with an interactive quiz that had students eagerly raising their hands, excited to share what they had learned. Their enthusiastic participation reflected how deeply they had connected with the session. Prizes awarded by Dr. Siddique added to the joy, with many students leaving the stage smiling with pride.

The event was smoothly anchored by Grade 12 students. Ms. Afrah Ashique, set the tone with a thoughtful introduction, Ms. Parvathy Unnikat extended a warm welcome, and Aizza Mohammad Iqbal concluded the session with a heartfelt vote of thanks.

In his closing remarks, Principal Mr. Deepak Patankar expressed his sincere appreciation to Dr. Siddique for his time and dedication. He noted that the doctor's genuine affection for students made the session truly memorable. The presence of Vice Principals Mr. Mammikutty and Mrs. Ambika Padmanabhan further highlighted the school's commitment to nurturing not just academic excellence, but also the overall well-being of its students.

The session ended with more than just knowledge—it sparked awareness, responsibility, and a sense of pride among students, who walked away as young ambassadors of healthy smiles.

INDIAN SCHOOL SALALAH CELEBRATED EARTH DAY

Indian School Salalah celebrated Earth Day on 22nd April 2026 with great enthusiasm, focusing on creating awareness about environmental protection and sustainable living among students. The celebrations were inaugurated by the Principal, Mr. Deepak Patankar. As part of the celebration, saplings were planted in the school premises by the Principal Mr. Deepak Patankar, Vice Principals Mr. Mammikutty and Ms. Ambika Padmanabhan, symbolising a commitment to a greener future.

The welcome address was delivered by Mr. Unnikrishnan, Head of the Social Science Department, who emphasised the importance of protecting our environment. The programme was witnessed by the Eco Club members of Class IX. Students were sent to various sections of Classes V, VI, VII, and VIII with posters to conduct an awareness campaign. They highlighted the importance of water conservation and the need to protect Mother Earth. The activity was coordinated by Mr. Hareesh K.P. and Mr. Uzair. (Social Science faculty) The vote of thanks was proposed by Mr. Hareesh K.P, the Eco Club Coordinator.

A Special Assembly was conducted in the KG Block for the students of Classes 1 and 2. The theme for this year, "Our Power, Our Planet," highlighted the importance of protecting our environment and taking responsibility for a sustainable future. The occasion was graced by the presence of Principal Mr. Deepak Patankar, Vice Principal Ms. Ambika Padmanabhan, Science Department HOD Mr. Shinoj, Subject Incharge Ms. Subha, and KG Incharge Ms. Anjali.

The programme began with a prayer song, followed by an informative Earth Day speech delivered by Niha Niyas of Class 2D. The "Thought for the Day" encouraged students to care for the planet. A short skit performed by Class 2 students, conveyed the message of environmental protection. The students of Class 2H presented an energetic action song, spreading awareness in a lively manner. The assembly also included an oath-taking ceremony, where students pledged to protect and preserve the Earth. Ms. Ambika Padmanabhan addressed the gathering, emphasizing the role of young learners in safeguarding the environment. The assembly concluded with the National Anthem. Various activities were conducted for the students of class 1 and 2. Students of class 1 participated in a headgear-making activity, while Class 2 students enjoyed drawing and colouring activities based on the theme of Earth and trees.

The Earth Day celebration for Classes 3, 4 and 5 reinforced the importance of caring for our planet. An Oath Taking Ceremony was administered by the class teachers during the first period. Students solemnly pledged to protect the Earth, conserve natural resources, and contribute towards a cleaner and greener environment. Students brought potted plants from home, which were later planted in the school premises. This activity helped to instill a sense of responsibility and care for nature among the students. The students wore Earth-themed wristbands. These wristbands decorated with drawings of the Earth, served as a reminder of their commitment in protecting the planet.

The celebration also included an action song related to Earth Day, which was played in the classroom. Students actively participated by singing along and performing actions, making the learning experience fun and memorable. Students made beautiful and colourful posters with messages like "Save Earth," "Go Green," and "Protect Our Planet." This activity helped them express their ideas creatively.

The Earth Day activities were successful in spreading awareness and encouraging students to take small yet meaningful steps towards protecting the environment. They fostered a sense of unity, responsibility, and environmental consciousness among the students.

INDIAN SCHOOL SALALAH HOLDS INTER-CLASS ENGLISH DEBATE

The HSE (Health, Safety and Environment) Club of Indian School Salalah organized an Inter-class English Debate on 21 May 2026 in the school auditorium. The programme was attended by grade XI students along with senior faculty members. The programme began with a welcome address by Miss. Hanna Elsa Alex of class XI-A, followed by a brief introduction to the event by Mr. Binoy C. A., faculty in English.

Nine talented speakers from class XI participated enthusiastically in the debate, with five students speaking for the motion and four speaking against it. The topic for the debate was, "Energy Drinks Are More Beneficial Than Water for Sustaining Human Life." Each participant was given three minutes to present his or her arguments and one minute for rebuttal. Throughout the session, the speakers displayed clarity of thought, confidence, and excellent communication skills. The debate was effectively moderated by the School Head Girl, Miss Zaina Fathima of class XII-B.

The function was graced by School Vice Principal Mr. Mammikkutty, who appreciated the efforts of the participants and organizers for the successful conduct of the event. The programme concluded with a vote of thanks proposed by Miss Niya K. Sanish of class XI-A.

The event, organized as part of the 'Hydration Drive' initiative launched by the Board of Directors of Indian Schools in Oman, aimed to create awareness among students about healthy lifestyle choices while encouraging critical thinking and public speaking skills.

PARTNERING FOR SUCCESS: GRADE 9 PARENT ORIENTATION

Indian School Salalah conducted the Grade 9 Parent Orientation Programme, led by the Principal, Mr. Deepak Patankar, to acquaint parents with the academic journey that awaits their children in the secondary section.

During the session, parents were provided with a comprehensive overview of the CBSE Scheme of Studies, including curriculum structure, subject combinations, assessment patterns, internal assessments, third language options, and the academic expectations for Grade 9. Key elements of the evolving educational framework were explained, along with the importance of regular attendance, consistent academic effort, and active parental involvement.

Principal Mr. Deepak Patankar highlighted that the transition to secondary school marks a significant milestone in a student's academic life. He emphasized that a strong and collaborative partnership between the school and parents is essential for nurturing confident, responsible, and future-ready learners.

The orientation also facilitated meaningful interaction, enabling parents to gain clarity on the academic roadmap and the support systems available to help students realize their full potential.

At Indian School Salalah, we firmly believe that when educators and parents work together with a shared vision, students are empowered to excel both academically and personally.

"The strongest foundation for a child's success is built when school and home walk hand in hand."

INDIAN SCHOOL SALALAH REPORT WORLD NO TOBACCO DAY

On May 31, 2026, Indian School Salalah observed World No Tobacco Day by organizing a highly focused and impactful awareness program jointly coordinated by the school's HSE Club and the Department of Social Science. The initiative was driven by a crucial objective to educate young minds on the severe physical, psychological, and social risks tied to nicotine and tobacco consumption. Recognizing that the students are highly vulnerable to curiosity, social media trends, and negative peer pressure, the organizers designed the event to equip them with the critical thinking skills needed to make responsible, health-first life choices.

The significant event was graced by the presence of the Principal, Mr. Deepak Patankar, the Vice Principals, Heads of Departments, school In-charges, teachers, and the entire student body. The program successfully delivered a powerful, multi-sensory message through a well-coordinated blend of digital media, peer education, and artistic expression.

The session commenced with a brief, high-impact video produced entirely by a talented team of students. This visual narrative effectively contrasted the false glamour of smoking and vaping with the harsh biological realities of addiction. Following the video, a comprehensive slideshow presentation was delivered to break down the scientific aspects of nicotine. It detailed how addiction alters brain chemistry, discussed the recent spike in youth-targeted alternative tobacco products, and shed light on the economic and social fallout of long-term usage.

The event saw enthusiastic participation from students across different classes. Interactive posters and charts prepared by students were displayed in the quadrangle which raised awareness and fostered a spirit of social responsibility among the participants.

To bring an emotional and uplifting energy to the room, students performed a beautifully composed melody. The song utilized the power of music to resonate with their peers, driving home a celebratory message of choosing life, vitality, and health over chemical dependency. Adding further depth to the afternoon, Ms. Zaina Fathima of Class XII delivered an eloquent speech highlighting the global significance of World No Tobacco Day.

Following the student presentations, the administrative leadership of Indian School Salalah took the stage to offer foundational guidance and reinforce the core values of the campaign. The Vice Principal, Mrs. Ambika Padmanabhan, shared valuable, practical insights, encouraging students to build the mental fortitude required to say "no" to negative influences. She pointed out that peer pressure is easily countered when an individual is firmly anchored in knowledge and self-worth. Additionally, the Head of the Social Science Department, Mr. Unnikrishnan, spoke to the gathering, emphasizing the societal role young people play in shaping a tobacco-free future.

To solidify these educational components into a tangible personal commitment, the assembly transitioned into a formal mass pledge. Led by Master Riteesh of Class XII B, the entire student body stood together to earnestly take the World No Tobacco Day Pledge. The students solemnly resolved to entirely abstain from using or experimenting with any form of tobacco or nicotine products while actively motivating their families, friends, and acquaintances to lead a tobacco-free life.

They also pledged to protect the environment from the toxic waste, chemical litter, and hazardous ecological footprints left behind by tobacco consumption. Finally, the student body committed to active advocacy, promising to spread the message by encouraging at least five other individuals in their wider social circles to take the exact same pledge.

The event drew to a close by blending peer-led creative performances with the structured administrative guidance and with the seamless coordination of Mrs. Anandi and Mrs. Harshitha, Social Science Department faculty, and with the ardent support of the school's HSE Club. The students left the assembly not only deeply informed about the hidden dangers of addiction but also actively empowered to act as ambassadors for a healthier, smoke-free lifestyle.

WORLD ENVIRONMENT DAY CELEBRATED WITH TREE PLANTATION DRIVE AT INDIAN SCHOOL SALALAH

Indian School Salalah celebrated World Environment Day 2026 with great enthusiasm and a strong commitment to environmental conservation on June 7, 2026. The event, organized jointly by the HSE Club, the Eco Club, and the Department of Environment and Vegetation, was held on the school campus under the theme "Inspired by Nature. For Climate. For Our Future."

The programme began with a welcome speech by Surya Unnikrishnan, who highlighted the importance of protecting the environment and promoting sustainable practices. The Department of Environment and Vegetation, Salalah, supported the event by providing 70 saplings and awareness pamphlets on desertification and its prevention.

The chief guest, Mr. Saeed Bin Aslam Ajham Al-Hilai, Supervisor, Department of Environment and Vegetation, addressed the gathering. He emphasized that caring for the environment should not be limited to a single day and encouraged everyone to take continuous steps to preserve the planet for future generations.

Dr. Shaji P. Sreedhar, Chairman of the HSE Committee, interacted with the students and spoke about the origin and significance of World Environment Day. He also informed them about the Ministry's initiative of providing free saplings to schools. A major highlight of the programme was the Tree Plantation Drive, inaugurated by the chief guest. The event witnessed active participation from Principal Mr. Deepak Patankar, Vice Principals Mr. Mammikutty and Mrs. Ambika Padmanabhan, members of the HSE Committee, Student Council representatives, teachers, and students, who planted saplings around the school campus. The programme concluded with a vote of thanks proposed by Master Siddharth Jayaprakash. A special note of gratitude was extended to the HSE Coordinators—Mr. Sinu Krishnan, Mrs. Reeshma Vijesh, Mr. Rohit Kanojia, and Mr. Unnikrishnan (HOD, Social Science)—as well as to the Student Council for their remarkable contributions in making the event a grand success. The celebration successfully spread awareness about environmental protection and inspired students to become responsible stewards of nature.

WORLD ENVIRONMENT DAY CELEBRATED WITH TREE PLANTATION DRIVE AT INDIAN SCHOOL SALALAH

Indian School Salalah embarked on a spirited journey from the southern city of Salalah to Muscat, where its students showcased exceptional enthusiasm and determination at the Ambassador's Schoolympics 2026, organised by the Board of Directors of Indian Schools in Oman on 10th and 11th April 2026.

The prestigious sporting event brought together over 3000 students from 21 Indian schools across the Sultanate, making it one of the largest inter-school competitions in the country. The events were held across four venues by age category—Under 9(Citius) at Indian School Al Seeb, Under 11 (Altius) at Indian School Bousher, Under 13(Fortius) at Indian School Al Wadi Al Kabir, and Under 15 (Communis) at Indian School Muscat.

Indian School Salalah proudly fielded a contingent of 112 students who participated in a range of events including athletics, football, basketball, and throwball. The young athletes demonstrated exceptional sportsmanship, teamwork, and perseverance throughout the competition.

Indian School Salalah achieved notable success in team events, securing the 2nd Runners-up position in Throwball (Girls), Football (Boys), and Basketball (Girls), reflecting strong coordination and competitive spirit.

In athletics, the students delivered an outstanding performance, winning a total of 19 medals, including 7 Gold, 7 Silver, and 5 Bronze medals. Their achievements across various categories, especially in relay events, significantly contributed to the school's success.

This accomplishment was made possible under the dedicated guidance of the coaches—Mr. Rohit and Mrs. N. Rajapushpam (Athletics), Mr. Ishwar and Mr. Sahad (Football), Mr. Farhan (Basketball), and Ms. Manisha and Mrs. Akhila (Throwball), under the overall supervision and Guidance of Physical Education HoD, Dr. L. Mohandass. The accompanying teachers also played a vital role in ensuring smooth participation and constant encouragement across all venues.

With an impressive overall score of 167 points, Indian School Salalah secured the 4th position among the 21 participating schools.

The Ambassador's Schoolympics 2026 proved to be a grand celebration of athletic excellence, unity, and sportsmanship. Indian School Salalah's commendable performance stands as a testament to its commitment to nurturing talent and instilling values of discipline, teamwork, and perseverance in its students.

President SMC, Dr. Syed Ahsan Jamil, Members of the SMC, The Principal, Mr. Deepak Patankar along with the school faculty and parent community, extended their heartfelt congratulations and best wishes to all the participants for their outstanding achievements and continued success.

INDIAN SCHOOL SALALAH SILVER IN UNDER-17 BOYS AND UNDER-14 GIRLS CBSE OMAN CLUSTER BADMINTON

Indian School Salalah marked a proud chapter in its sporting history with an impressive performance in the CBSE Oman Cluster Badminton Tournament, held at Indian School Bousher on May 8 and 9, 2026. The school's teams displayed remarkable skill, determination, and sportsmanship, bringing laurels to the institution.

The Under-17 Boys and Under-14 Girls badminton teams emerged as runner-up in their respective categories, securing the Silver Medal and the Runners' Trophy. The Under-17 Boys team put up a strong fight throughout the tournament. They defeated Indian School Sohar in the semifinal to earn a spot in the final, where they faced a tough challenge from Indian School Muscat. Despite playing exceptionally well, the boys narrowly missed the title by a whisker. Team members Nithin Srinivasan, Gautham Krishna P.H., Sahojith Suresh, Pratheek Senthil Kumar and Aydin Renaz Zhelat were hailed for their exceptional play.

In the Under-14 Girls category, the team advanced to the final after defeating Indian School Wadi Kabir in the semifinal. In the title clash against Indian School Ghubra, the girls showed great spirit and resilience, giving a close contest before losing at the crucial stage by just two points. Vaiga Bindhesh, Kashvi Preetham Kumar, Thiya Ratna Sree A and Catherine Rose Tojo exemplified determination and team spirit. Adding to the school's success, the Under-19 Boys team secured the second runner-up position and won the Bronze Medal. Key players Mohammed Faid Shabeer, Sherwin Aaron Meripo, Rafsan Sameer Al Rafe and Anu Athinan contributed decisively.

The teams' outstanding performance comes from the exceptional support from Mrs.N.Rajapushpam a senior PE faculty of ISS.

Under – 14 Girls Bag Bronze in Basketball

Indian School Salalah's Under-14 Girls basketball team shone brightly at the CBSE Oman Cluster Basketball Tournament, held at Indian School Wadi Kabir on May 8 and 9, 2026. The young athletes secured the second runner-up position, clinching the well-deserved Bronze Medal.

Displaying exceptional sportsmanship and a never-say-die fighting spirit, these little stars captivated spectators with their skill and determination throughout the intense matches.

The impressive achievements of all the badminton teams and the basketball teams reflect the hard work, discipline, and dedication of the players and coaches. The school management headed by Dr.Syed Ahsan Jamil, Principal Mr.Deepak Patankar, admins and staff extended heartfelt congratulations to the teams and PE faculty (Dr. Mohandass (H.O.D), Mrs. Rajapushpam and Mr.Farhan)for their commendable performance and wished them continued success in future tournaments.

The impressive achievements of all the badminton teams and the basketball teams reflect the hard work, discipline, and dedication of the players and coaches. The school management headed by Dr.Syed Ahsan Jamil, Principal Mr.Deepak Patankar, admins and staff extended heartfelt congratulations to the teams and PE faculty (Dr. Mohandass (H.O.D), Mrs. Rajapushpam and Mr.Farhan)for their commendable performance and wished them continued success in future tournaments.

Indian School Salalah delivered an impressive performance at the CBSE Oman Cluster Handball Tournament 2026, hosted by Indian School Al Seeb from 10th to 12th May 2026. The three-day knockout tournament witnessed spirited participation from schools across the Sultanate, and the handball teams of IS Salalah stood out with their determination, teamwork, and competitive excellence.

The Under-19 Boys' team clinched the Runner-up Trophy after a series of strong matches, while the Under-17 Boys secured the Second Runner-up position with commendable grit and consistency. The school also proudly participated in the Girls Under-17 and Boys Under-14 categories, ensuring representation across multiple divisions and showcasing the growing sports culture at IS Salalah.

These achievements were made possible through the dedicated efforts of the players and the unwavering guidance of their coaches, Mr. Ishwar Deshmukh and Ms. Manisha, whose commitment and training played a pivotal role in shaping the teams' success.

The President of the School Management Committee, Dr. Syed Ahsan Jamil, congratulated the teams for their outstanding performance and praised the students for their discipline, perseverance, and sportsmanship. He commended the coaches for nurturing young talent and reaffirmed the Committee's continued support for sports and holistic development.

The Principal, Mr. Deepak Patankar, expressed immense pride in the teams' achievements and appreciated the players for their dedication and spirited participation. He encouraged them to continue striving for excellence and to uphold the values of teamwork and integrity in every sporting endeavour.

The staff of Indian School Salalah also extended their heartfelt appreciation to the teams, acknowledging their hard work, enthusiasm, and commitment. They expressed confidence that the students would continue to bring laurels to the school in future tournaments.

Indian School Salalah delivered an outstanding performance at the CBSE Oman Cluster Kho-Kho Tournament held at Indian School Al Maabala on 21-22 August 2026, securing multiple championship titles and podium finishes across categories.

The U-14 Girls and U-17 Girls teams emerged as Champions, showcasing dominant gameplay and exceptional teamwork throughout their matches. The U-19 Girls secured Second Runners-Up, displaying grit and resilience in closely fought encounters.

In the boys' categories, the U-14 Boys and U-17 Boys finished as Runners-Up, marking consistent, high-level performances. The U-19 Boys fought valiantly but exited in the Quarter-Finals, earning praise for their sportsmanship and determination.

The school congratulates all players for their remarkable achievements and extends heartfelt appreciation to Dr. Mohandas, Ms. N. Rajapushpam, and the entire Physical Education Department for their dedicated guidance and unwavering support.

INDIAN SCHOOL SALALAH SHINES AT THE CBSE OMAN CLUSTER ATHLETICS CHAMPIONSHIP 2026-27

Overall 4th Position in Track & Jumps | Historic Debut for the High Jump Squad | Strong Show

Indian School Salalah delivered a strong performance at the CBSE Oman Athletics Cluster – Track & Jumps Meet hosted by Indian School Muscat on 28–29 August 2026, securing Overall 4th Position with 134 points.

The team earned an impressive 13 medals (3 Gold, 4 Silver, 6 Bronze), supported by several valuable fourth- and fifth-place finishes that boosted the overall tally. Athletes showed remarkable grit while adapting to the hotter Muscat climate and a demanding multi-event schedule.

A historic highlight came from the High Jump squad, which debuted with outstanding success—winning 5 medals and achieving a first-ever qualification to the National Competition in Patiala, Punjab through Haneen Faisal Altigani and Mohammad Salem.

The school applauds all athletes and extends special appreciation to Mr. Ishwar Deshmukh and the Physical Education Department for their dedicated training and guidance.

Indian School Salalah has once again proven its footballing legacy, delivering a memorable performance at the CBSE Oman Cluster Football Championship held at Indian School Muladha from the 13th to 17th August 2026. Competing across all three age categories — Under 14, Under 17, and Under 19 — the school's teams showcased outstanding sportsmanship, resilience, and fighting spirit throughout the tournament, culminating in the school's second consecutive championship title in the Under 14 category.

Under 14 Boys: Champions Back-to-Back

Entering the tournament as defending champions, the Under 14 boys' team earned a direct entry into the quarterfinals — a privilege reserved for the reigning title holders.

The quarterfinal clash against Indian School Muscat proved to be a nail-biter, with the full-time score locked at 1-1. The tie was broken in a tense penalty shootout, which Indian School Salalah won 4-2. Goalkeeper Master Nazim was the hero of the hour, producing crucial saves that turned the tide in the team's favour — a performance that would later earn him the tournament's Best Goalkeeper award (U-14 category).

Riding on this momentum, the team dominated the semifinal against Indian School Ghubra, securing a commanding 2-0 victory to march into the final.

In the final, Indian School Salalah faced Indian School Darsait and delivered a clinical performance, winning 2-0 to be crowned champions of the Under 14 category for the second consecutive year — a proud and historic moment for the school.

Under 17 Boys:

The Under 17 team began their campaign in style, defeating Indian School Ibri 1-0 in the first round. In the second round, they faced a tough challenge against hosts Indian School Muladha, going down 4-5 in a closely contested tiebreaker after the match ended level. The team's spirited effort against the hosts stood out as one of the highlights of the tournament.

Under 19 Boys:

The Under 19 boys produced one of the standout performances of the tournament, defeating Indian School Bousher — the tournament's best-performing team — in a thrilling tiebreaker with a score of 4-2. In the second round, the team faced the reigning Under 19 champions, Indian School Muscat, and fought hard before going down 1-3.

With these commanding performances across all three categories, Indian School Salalah has once again marked its name firmly on the CBSE Oman Cluster football map, reaffirming its reputation as one of the region's footballing powerhouses.

The school extends its heartfelt appreciation to Dr. Mohandas (HOD Physical Education Department), Mr. Sahad and the entire Physical Education Department for their unwavering dedication and for setting a standard of excellence that continues to make Indian School Salalah incredibly proud.

MERITORIOUS STUDENTS HONoured ON THE 80TH INDEPENDENCE DAY

Indian School Salalah commemorated the 80th Independence Day of India with patriotic fervour on Friday, August 15, 2026, at the Foundational and Preparatory Class building. The celebration brought together dignitaries, school leadership, staff, students, alumni, and parents to honour India's rich cultural heritage and the spirit of freedom.

A distinguished array of guests graced the occasion, adding dignity and warmth to the ceremony. In his address, Principal Mr. Deepak Patankar expressed deep gratitude to His Majesty Sultan Haitham bin Tarik and the Omani authorities for their continued support to the Indian community. The event was further honoured by the presence of Dr. K. Sanathanan (Honorary Consular Agent, Indian Embassy), Dr. Rakesh Kumar Jha, President of the Indian Social Club, the present and former SMC members, whose participation underscored the strong community bond shared with the school.

The celebration also witnessed the felicitation of meritorious students who excelled in academics and co-curricular achievements, reflecting the school's commitment to nurturing excellence. The programme concluded with a heartfelt vote of thanks, followed by refreshments, leaving the gathering inspired by a morning of pride, recognition, and national spirit.

INDIAN AMBASSADOR INTERACTS WITH SENIOR STUDENTS AT ISS

Indian School Salalah warmly welcomed H.E. Shri Prashant Pise, Ambassador of India to Oman, on 18 August 2026 for an inspiring interactive session with Grades XI and XII. His Excellency toured the Primary and KG sections, engaging warmly with students and staff before addressing senior students in the Main Block.

During the session, he shared insights from his diplomatic journey, spoke on India's global role, public service, responsible citizenship and the importance of discerning reliable information. Students posed thoughtful questions, making the interaction highly enriching.

The Ambassador was felicitated by the School Management Committee and the Principal, marking a memorable occasion attended by distinguished dignitaries. His visit left students motivated with broader perspectives and renewed confidence for the future.

INDIAN SCHOOL SALALAH CELEBRATES ONAM WITH JOY AND TOGETHERNESS

Indian School Salalah marked Onam on 25 August with vibrant cultural performances and festive cheer. The Principal, Vice Principals, Heads of Departments and staff joined the celebration, creating a warm and joyful atmosphere.

Kindergarten and Primary students presented colourful programmes, including a charming Vallam Kali depiction, showcasing Kerala's rich cultural heritage. Their lively performances added beauty and excitement to the celebration.

The staff celebration featured a traditional Onam Sadhya, thoughtfully arranged by the Middle and Senior section teachers. Melodious songs by Mr Parvinder and Mr Hareesh added to the festive spirit, making the occasion memorable for all.

The celebration reflected unity, culture and togetherness—leaving the school community with cherished Onam memories.

NEWSLETTER: KG-GRADE IV

VOLUME 1, 2026-'27

Little Lanterns

Lighting up little hearts
and big dreams ♥

Kindergarten (KG 3) classes commenced on Monday, April 6, 2026, followed by the opening of KG 1 and KG 2 on Tuesday, April 7. Both children and parents eagerly anticipated this special occasion, excited to meet the teachers and discover the school environment. The teachers warmly welcomed the young learners with greeting cards, creating a cheerful and inviting atmosphere. The children also had fun making hand impressions on chart paper, adding a creative touch to their first day. They were delighted to meet their teachers, reconnect with friends, and explore their classrooms.

Dream
Learn
Grow

World Health Day (WHD), observed every year on 7 April, commemorates the founding of the World Health Organization (WHO) in 1948. Each year, the day highlights an important public health theme.

To instil a sense of social responsibility among children and to promote awareness of healthy habits and lifestyles, a demonstration was conducted by the school nurse, Mrs. Remya on Sunday 12/04/2026. She explained the proper technique for hand washing and emphasized the importance of maintaining personal hygiene. The children were motivated to adopt these practices in their everyday lives.

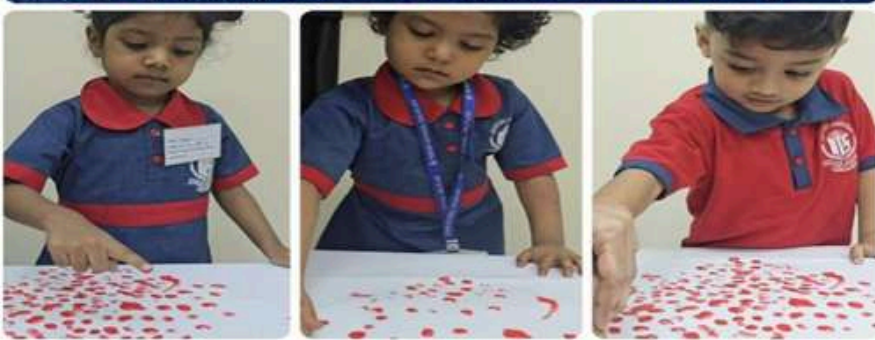

WORLD ART DAY

15/04/2026

The objective of celebrating World Art Day in Kindergarten is to nurture creativity and imagination in young children while encouraging self-expression through simple art activities like drawing, coloring, and craft. It helps develop fine motor skills, enhances observation and cognitive abilities, and builds confidence as children take pride in their creations. The celebration also fosters an early appreciation for art and makes learning enjoyable, engaging, and meaningful through hands-on experiences.

All the children created fingerprint art for the caption "We Love Kindergarten."

21/04/2026

The objective of celebrating National Kindergarten Day is to highlight the importance of early childhood education and to promote learning through play, creativity, and social interaction, helping children develop essential skills and overall growth. We celebrated Kindergarten Day as Colours Day, where children dressed up in primary colours and brought related objects from home. Various activities were conducted in school based on their colour themes, and the children thoroughly enjoyed the day.

22/04/2026

The objective of celebrating Earth Day in Kindergarten is to create awareness among young children about the importance of protecting the environment and caring for nature. A special assembly was conducted where teachers explained the significance of plants and how they help keep our Earth healthy.

The teachers also led an Earth Day pledge, which the children enthusiastically repeated. To reinforce this learning, each class participated in a planting activity, encouraging children to develop a sense of responsibility and love for the environment from an early age. In addition, every class carried out a craft activity related to Earth Day, making the celebration both meaningful and engaging for the children.

23/04/2026

English Language Day in Kindergarten is celebrated to introduce young children to the joy of learning and using the English language. The objective is to develop basic listening, speaking, reading, and early writing skills through fun and interactive activities such as rhymes, storytelling, conversations, and games. It also helps children build confidence in expressing themselves, improve their vocabulary, and develop a love for the language from an early age. Students of KG 1, KG 2, and KG 3 participated in various classroom activities related to English Language Day.

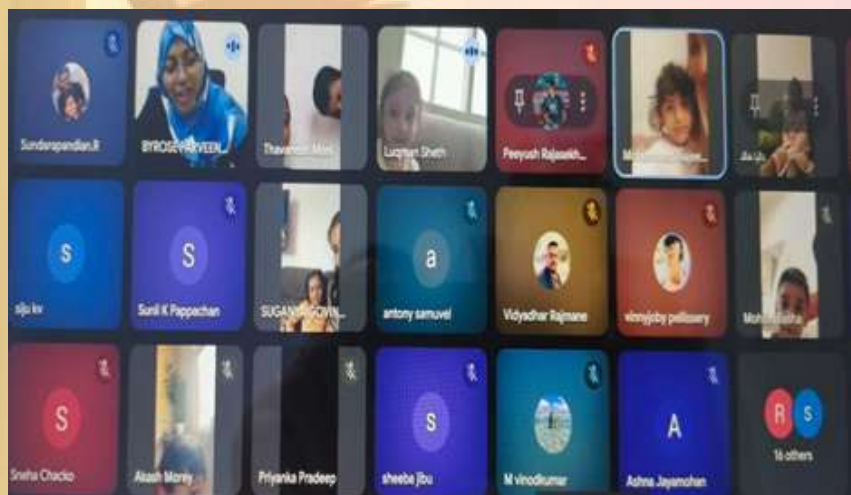

KINDERGARTEN ORIENTATION

25/04/2026

The Kindergarten conducted an online orientation program for parents on Saturday, April 25, 2026. The session aimed to prepare parents for their child's entry into formal education and to foster a strong partnership between home and school to support the child's overall learning and development. During the program, teachers shared valuable insights into the curriculum and offered practical parenting tips. The event received a positive response from parents, reflecting their active participation and appreciation for the information provided.

29/04/2026

The objective of celebrating Dance Day in Kindergarten is to encourage children to express themselves through movement and music, while developing their creativity, confidence, and coordination. It helps enhance their physical fitness, rhythm, and motor skills, and also promotes joy, teamwork, and cultural awareness as they explore different types of dance in a fun and engaging way.

The Kindergarten celebrated a special assembly in which the children performed dances to lively music. They thoroughly enjoyed the experience and participated with great enthusiasm.

LABOUR DAY

01/05/2026

The objective of celebrating Labour Day in Kindergarten is to help children understand and appreciate the value of work and the contributions of all workers in our community. Teachers explained the importance of Labour Day in a simple and meaningful way. The children expressed their gratitude by saying "Thank you" and "We love you" to all the non-teaching staff. As a token of appreciation, the teachers presented small gifts to all the support staff in the KG block.

The objective of celebrating Laughter Day in Kindergarten is to promote happiness, emotional well-being, and a positive classroom environment among young children. It encourages children to express joy freely, reduce stress, and build social connections through fun-filled activities, laughter exercises, and playful interactions. The celebration also helps in enhancing children's confidence, communication skills, and overall mental wellness while making learning enjoyable and engaging. A special assembly was conducted on Tuesday, 5th in which teachers performed a comedy skit and played baby laughing audio to create a joyful atmosphere.

In the classroom, children engaged in a creative activity by making laughing face masks using paper plates. The children thoroughly enjoyed the day, laughing and participating with great enthusiasm throughout the celebration.

04/05/2026

The Kindergarten conducted an awareness assembly on healthy food and junk food. During the assembly, teachers enacted various characters to highlight the importance of eating healthy food. They also explained the concept in a simple and engaging manner. Following the demonstration, the children danced to music related to healthy food. The activity was enjoyable, and the children understood the concept very well.

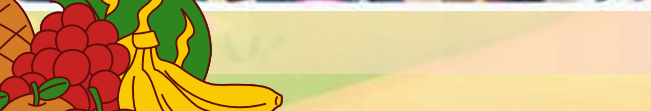

FUN WITH FRUITS- FRUIT DAY

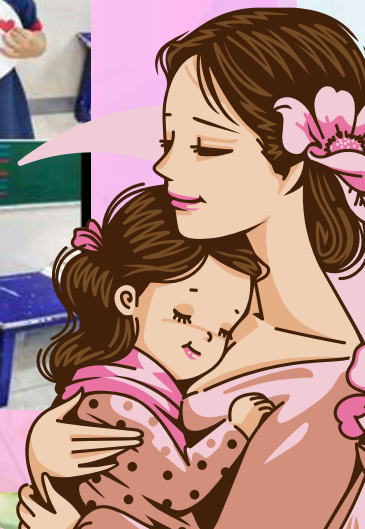

06/05/2026

The objective of celebrating Fruit Day in Kindergarten is to create awareness among children about the importance of eating healthy and nutritious foods, especially fruits. On this day, children brought a variety of fruits from home, and teachers guided them in preparing a fruit salad while maintaining proper hygiene. This activity helped children understand healthy eating habits in a fun and engaging way.

06/05/2026

Kindergarten celebrated Mother's Day with great joy and enthusiasm. Children from KG 3 enacted the roles of mothers and beautifully spoke about the responsibilities and importance of mothers in our lives. A few children also shared short speeches expressing their love and gratitude towards their mothers. As a token of love and appreciation, the children gifted handmade bouquets prepared with the guidance and support of their teachers. The celebration was meaningful, heartwarming, and enjoyed by everyone.

12/05/2026

NURSE

The objective of celebrating International Nurses Day in Kindergarten was to create awareness among children about the important role nurses play in caring for people and serving society with love and dedication. Teachers explained the value of kindness, care, and compassion shown by nurses. Teachers along with the children appreciated Mrs. Remya and Mrs. Jibin on the stage and expressed their heartfelt gratitude for their dedicated service.

STAY COOL STAY SAFE

13/05/2026

The objective of the "Stay Cool, Stay Safe" awareness assembly was to help kindergarten children understand the importance of drinking water and staying hydrated, especially during hot weather. Through simple explanations and fun activities, children learned healthy habits such as drinking enough water, staying cool, and taking care of their health and safety during summer.

As part of the Water Awareness Campaign, the children of KG 3 visited all the classes and spoke about the importance of water and staying hydrated.

STAY COOL

CHILL

The objective of celebrating International Family Day in Kindergarten was to help children understand the importance of family, love, care, and togetherness. Teachers enacted the roles of different family members such as father, mother, brother, sister, grandfather, and grandmother, making the concept more meaningful and enjoyable for the children. Through these activities, the children gained a clear understanding of the value and role of each family member in our lives. As part of the celebration, children were encouraged to spend quality time with their families and were given instructions to enjoy a candlelight dinner at home with their loved ones. The children thoroughly enjoyed the special family time and created beautiful memories together.

The objective of celebrating Biodiversity Day in Kindergarten was to help children understand the importance of protecting nature, plants, animals, and birds. As part of the celebration, the children took a simple pledge to care for the environment and keep nature safe. They also participated in a creative bird's nest craft activity, which helped develop their creativity and awareness about the homes of birds and the need to protect all living things. The activities made learning enjoyable and meaningful for the children.

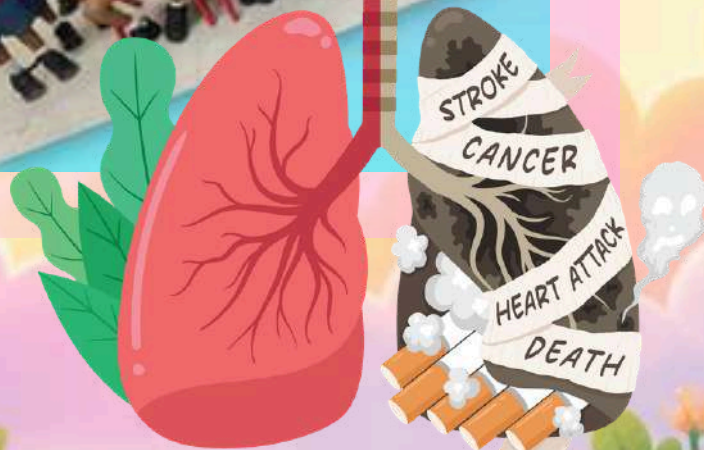

06/05/2026

31/05/2026

The objective of celebrating World No Tobacco Day in Kindergarten was to create awareness about healthy living and to help children understand that tobacco products are harmful to health. As part of the celebration, the children coloured posters depicting the harmful effects of tobacco and took them home to share the message with their parents. Teachers explained the ill effects of tobacco products in a child-friendly manner through songs, videos, and interactive discussions. These activities helped children develop an early understanding of healthy lifestyle choices and encouraged them to spread awareness within their families and communities.

WORLD NO TOBACCO DAY

01/06/2026

The objective of celebrating Global Day of Parents in Kindergarten was to help children recognize and appreciate the love, care, guidance, and support provided by their parents. As part of the celebration, the children created handmade greeting cards with great enthusiasm and gifted them to their parents as a token of love and gratitude. This activity encouraged children to express their feelings, strengthened the parent-child bond, and helped them understand the importance of respecting and valuing their parents.

The objective of the Oral Hygiene Assembly was to create awareness among children about the importance of maintaining good oral health and developing healthy dental care habits from an early age. During the assembly, teachers, along with the school nurse, demonstrated proper oral hygiene practices, including the correct way of brushing teeth, the importance of brushing twice a day, and choosing tooth-friendly food items. Through interactive demonstrations and discussions, children learned how healthy habits help keep their teeth strong, clean, and free from cavities. The activity encouraged children to take responsibility for their oral health in a fun and engaging manner.

05/06/2026

The objective of celebrating World Environment Day in Kindergarten was to create awareness among children about the importance of protecting and caring for the environment. Through meaningful activities such as feeding birds at home, hugging trees, and watering plants, children developed a sense of love, responsibility, and respect for nature. These hands-on experiences encouraged them to understand the value of plants, animals, and natural resources, helping to nurture environmentally responsible habits from an early age.

08/06/2026

The World Ocean Day celebration aimed to create awareness among children about the importance of oceans and marine life. Various water animals were displayed, and teachers explained the significance of oceans and the need to protect aquatic animals through an engaging PowerPoint presentation. The children enthusiastically participated in a dance performance based on a water-animal-themed song, making the learning experience enjoyable, interactive, and meaningful.

INTERNATIONAL DAY OF PLAY / NO BAG DAY

11/06/2026

The celebration of International Play Day aimed to highlight the importance of play in children's overall development. Teachers organized common games and class-wise activities to encourage teamwork, creativity, physical fitness, and social interaction among the children. The day was also observed as a No Bag Day, providing a joyful and stress-free learning environment. Through these engaging activities, children actively participated, developed essential life skills, and thoroughly enjoyed the fun-filled experience.

Kindergarten students joyfully celebrated Friendship Day by exchanging friendship bands with their classmates, spreading smiles and strengthening the bonds of friendship. The teacher spoke about the importance of friendship, highlighting values such as kindness, sharing, caring, and respect. The celebration encouraged children to appreciate their friends and understand the true meaning of being a good friend.

SPECIAL AWARENESS ASSEMBLY

GOOD TOUCH BAD TOUCH

12/05/2026

The objective of the Good Touch and Bad Touch Awareness Assembly was to help children understand the difference between safe and unsafe touch in an age-appropriate and child-friendly manner. The assembly encouraged children to recognize personal boundaries, understand that their body belongs to them, and confidently say "No" when they feel uncomfortable. Teachers also emphasized the importance of speaking to a trusted adult whenever they experience a touch or situation that makes them feel unsafe.

SPECIAL AWARENESS ASSEMBLY

STAY ALERT, STAY SAFE, STAY HEALTHY

10/08/2026

A special assembly on "Stay Alert, Stay Safe, and Stay Healthy" was conducted for the Kindergarten children to create awareness about the importance of being cautious, following safety measures, and maintaining healthy habits. Teachers explained simple precautions that children can follow in their daily lives, helping them understand how to stay safe, alert, and healthy at school and at home.

Stay healthy

15/08/2026

The objective of celebrating Indian Independence Day in Kindergarten was to introduce children to the significance of our nation's independence and nurture a sense of patriotism, pride, and respect for our country from an early age. The celebration included two informative speeches highlighting the importance of Independence Day, followed by a short patriotic dance performance by the children. The children participated with great enthusiasm and confidence and performed exceptionally well, making the celebration meaningful and memorable.

19/08/2026

To help children understand the importance of humanitarian values such as kindness, compassion, sharing, and caring for others through meaningful and enjoyable activities. The children participated in a group art activity that included palm printing, sponge printing, Q-tip printing, and bit pasting. They enthusiastically took part in the activities, expressed their creativity, and thoroughly enjoyed the experience.

The objective of celebrating Onam in Kindergarten is to introduce children to the rich cultural heritage and traditions of Kerala, while promoting values of unity, sharing, togetherness, and joy. The children of KG 3C and KG 3D conducted a vibrant special assembly to celebrate the spirit and traditions of Onam. The programme featured a variety of entertaining performances, including an Onam dance, action song, speeches, and a traditional Snake Boat Race (Vallam Kali). The highlight of the celebration was the grand entry of Mahabali, which added a special charm and excitement to the programme.

The children looked adorable in their colourful traditional attire and participated with great enthusiasm and joy. The presence of the Principal and Vice Principal added significance to the celebration and encouraged the children in their performances. The programme beautifully reflected the rich cultural heritage and festive spirit of Onam.

12/05/2026

Co-curricular activities in Kindergarten aim to support the overall development of children beyond academics. These activities help children improve their creativity, communication, confidence, social skills, physical development, and teamwork. Colouring helps children recognize colours, stay focused, and develop patience while making learning enjoyable and engaging.

The objective of puppet shows or teachers' enactments in kindergarten is to make learning fun, interactive, and meaningful for children. Through colorful puppets and expressive role play, children develop listening skills, language abilities, imagination, and social understanding. These activities also help children understand moral values, good habits, emotions, and classroom concepts in an enjoyable and engaging way, encouraging active participation and confidence.

FINE MOTOR AND GROSS MOTOR SKILL ACTIVITIES

The objective of fine motor and gross motor skill activities in Kindergarten is to support the overall physical development of children. Fine motor activities help strengthen the small muscles of the hands and fingers, improving skills needed for colouring, writing, cutting, and other classroom tasks, while gross motor activities develop large muscle coordination, balance, strength, and body control through running, jumping, hopping, and other physical activities. These activities also enhance concentration, confidence, independence, and healthy growth in a fun and engaging manner.

The objective of value-based assemblies in Kindergarten is to help children develop good moral values, positive behaviour, and social skills from an early age. Through stories, role plays, songs, and simple activities, children learn important values such as kindness, honesty, sharing, respect, caring, responsibility, and teamwork. These assemblies create awareness about good habits and help children understand how to behave positively with teachers, parents, friends, and others in daily life. They also build confidence, discipline, and a sense of togetherness among children in a joyful and meaningful way.

EARTH DAY

INDIAN SCHOOL SALALAH
ALWAYS ALIGNS ITS VISION,
MISSION AND QUALITY
OBJECTIVES WITH THE HOLISTIC
DEVELOPMENT OF THE STUDENTS.

A Special Assembly on the occasion of Earth Day was conducted on April 22, 2026, in the KG Block for the students of Classes 1 and 2 at Indian School Salah. The theme for this year, **"Our Power, Our Planet,"** highlighted the importance of protecting our environment and taking responsibility for a sustainable future. Following the assembly, engaging classroom activities were conducted. Class 1 students participated in a headgear-making activity, while Class 2 students enjoyed drawing and colouring activities based on the theme of Earth and trees. The children actively participated and thoroughly enjoyed these creative sessions.

The students of classes 1 and 2 celebrated World Health Day 2026–27 on 7th April 2026 in the Primary Section with great enthusiasm to promote awareness about health and well-being among young learners. The celebration aimed to educate students about the importance of maintaining a healthy lifestyle. The theme for this year, “Together for health. Stand with science,” was introduced and explained to the students in a simple and meaningful way. Teachers guided the children on the importance of good hygiene, a balanced diet, regular exercise, and the need to keep both body and mind healthy

ENGLISH LANGUAGE DAY

“Language is the road map of a culture. It tells you where its people come from and where they are going.”

English Language Day was celebrated on- April 23, 2026. Celebrating days like English Language Day with young learners helps them gain confidence, get better at communicating, and make sure they say what they mean. It also makes students want to learn the language by doing fun and meaningful things, which makes learning more interesting and useful. Ms. Rachel Phillips, Primary Subject In-charge, addressed the gathering and emphasized the importance of developing English language skills from an early age. She encouraged students to practice regularly and appreciated the efforts of the students and teachers

INTERNATIONAL MOTHER'S DAY

MAY
-UPDATES

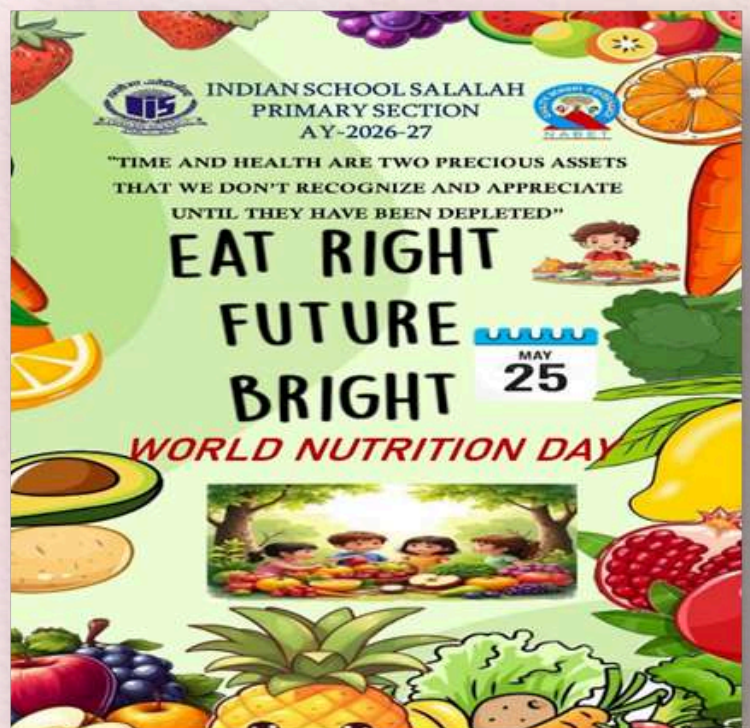

International Mother's Day was celebrated with great joy in the Primary Section on 10th May 2026. The students presented the handmade cards to their mothers at home as a token of love, gratitude, and appreciation. The activity provided the children with an opportunity to express their feelings creatively and strengthened the bond between mothers and children.

WORLD NUTRITION DAY

World Nutrition Day / Vegetable Day was observed in the Primary Section on 25th May 2026 with the goal of raising awareness among students regarding the significance of healthy eating habits and the nutritional benefits of fruits and vegetables. Students participated actively and confidently recited the slogan, "Fresh from the farm, straight to your plate," thereby emphasizing the importance of consuming fresh and nutritious food.

THEME- "A healthy life is built upon the foundation of healthy eating."

WORLD BIO-DIVERSITY DAY

MAY
-UPDATES

World Biodiversity Day was celebrated with great enthusiasm in the Primary Section on 22nd May 2026. The children coloured and decorated the badges beautifully, showing their creativity and awareness about the importance of protecting nature and living organisms. The students proudly wore the badges and shared their thoughts about caring for the environment and preserving biodiversity.

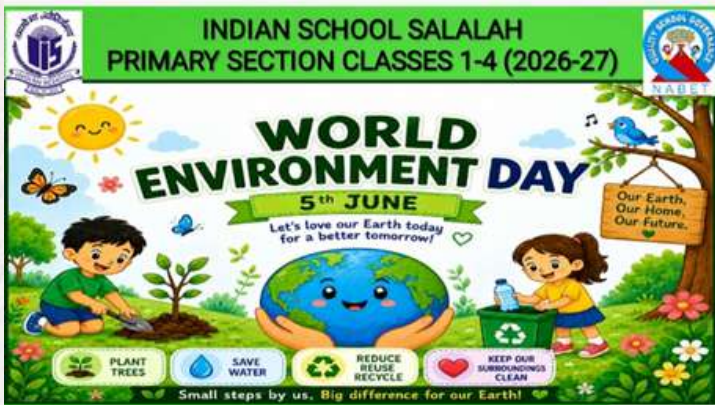

THEME: "Biodiversity is the foundation of life on Earth and protecting it is everyone's responsibility."

INTERNATIONAL FAMILY DAY

On the occasion of International Family Day, celebrated on 17th May 2026, the students of Grades 1 and 2 at Indian School Salalah were introduced to the importance of family and the strong bonds shared among family members. The celebration beautifully highlighted the importance of togetherness, mutual respect, care, and emotional bonding within families. It also helped instill strong values and a deeper understanding of family relationships in young minds, making the occasion both meaningful and memorable for everyone involved.

The students of classes 1 and 2 celebrated Global Day of Parents and World Environment Day through various class activities, which highlighted the importance of these special days. The students encouraged to take care of the environment. They were also motivated to respect and understand their parents' contributions.

THEME: "Inspired by Nature. For Climate. For Our Future."

WORLD FRIENDSHIP DAY

Indian School Salalah celebrated World Friendship Day 2026-27 on 5th August 2026 in the Primary Section with great enthusiasm and active participation from the young learners. The celebration aimed to create awareness among students about the importance of friendship, kindness, caring, sharing, and togetherness.

AUGUST-
UPDATES

WORLD HUMANITARIAN DAY

World Humanitarian Day was celebrated with joy and excitement by the Primary Section students of Indian School Salalah on 19 August 2026. The aim was to help children learn about kindness, compassion, empathy, sharing, and helping those in need. Students took part in different activities based on the theme **“Act for Humanity.”** They discussed about what humanitarian work means and why it is important. They also learned about the bravery and selfless service of humanitarian workers and volunteers

India celebrated its 80th Independence Day on 15 August 2026. The students and teachers of Classes 1 and 2 of the Indian School Salalah, Primary Section, commemorated this significant occasion with great pride, enthusiasm and patriotic spirit on 17 August 2026. The celebration began with the morning prayer, setting a serene and meaningful tone for the patriotic programme. The event featured an action song, an inspiring speech and a colourful dance, all reflecting the spirit of patriotism and love for the nation.

ONAM SPECIAL ASSEMBLY

A special assembly on Onam was conducted for the students of Classes 1 and 2. The students of Classes 1 and 2, dressed in their traditional attire, added a vibrant charm to the celebration. The programme commenced with a prayer, followed by a variety of cultural performances, including a group dance and an action song presented by the students.

GOOD TOUCH BAD TOUCH ASSEMBLY-CSE

On 13 August 2026, a special assembly was conducted for the Primary students. The programme focused on creating awareness among children about body safety, good touch and bad touch. As part of the programme, Mrs. Mumthas, Special Educator, conducted an age-appropriate awareness session for the children. The session aimed to help students understand personal boundaries, identify safe and unsafe situations, and learn the importance of saying “No” when they feel uncomfortable. The children were encouraged to understand that their bodies belong to them and that they should always seek help from a trusted adult if they experience something that makes them feel unsafe or uncomfortable.

The session was conducted through simple explanations, examples, interaction, and age-appropriate activities to make the topic easy for the children to understand. The students participated actively and responded positively to the activities.

A few selected special children actively participated in the programme by presenting a rhyming activity related to body safety. Their participation provided them with an opportunity to demonstrate their abilities, build confidence, and actively contribute to the school assembly.

CCA COMPETITIONS

Indian School Salalah conducted CCA competitions for Classes 1 and 2 to encourage creativity, confidence, and teamwork among the children. These activities made learning more fun and meaningful for young learners. The events included the Plasticine modelling Competition, Drawing and colouring Competition and English Poem Recitation Competition. These activities provided a wonderful platform for our young learners to showcase their creativity, confidence, fluency, and presentation skills. Students participated enthusiastically and impressed the judges with their clarity, voice modulation, expressions, and overall performance. The competitions truly reflected the school's commitment to nurturing talent and building communication skills from an early age.

APRIL 2026

We at Indian School Salalah plan interesting activities for our children. We make sure all activities are enjoyable and all students are actively involved in participating and showcasing their unique talents in this platform. We are thrilled to share the amazing progress and energy of our student's participation in their CCA activities. Here are the exciting updates on the special days.

WORLD HEALTH DAY

World Health Day was celebrated on Tuesday, 7th April 2026 to promote awareness about healthy habits among children. A Health Day Checklist was shared with the children, encouraging them to follow healthy practices in their daily lives.

World Art Day was celebrated on Wednesday, 15th April 2026 to encourage creativity and artistic expression among children. A flyer was shared with the students, and art-integrated lessons were conducted in each subject on the same day, making learning creative, engaging, and enjoyable.

WORLD NO TOBACCO DAY

World No Tobacco Day was observed on Tuesday, 31 May 2026 to create awareness about the harmful effects of tobacco. A flyer was shared with the children, and they participated in a colouring activity. Students were encouraged to display it on their family vehicles as a reminder to promote a tobacco-free environment.

World Heritage Day was celebrated on Wednesday, 22nd April 2026 to create awareness about the importance of preserving our cultural heritage. Children were encouraged to bring pictures of heritage sites of their hometowns to appreciate their rich cultural heritage.

MAY 2026 CCA ACTIVITIES

LABOUR DAY

Labour Day which is observed on 1st of May annually to appreciate and acknowledge the valuable contribution of the school's non-teaching staff. A class-wise activity was conducted where students made appreciation cards with heartfelt messages and quotes such as "We Love You" and presented them to the non-teaching staff as a gesture of gratitude and appreciation.

GLOBAL DAY OF PARENTS

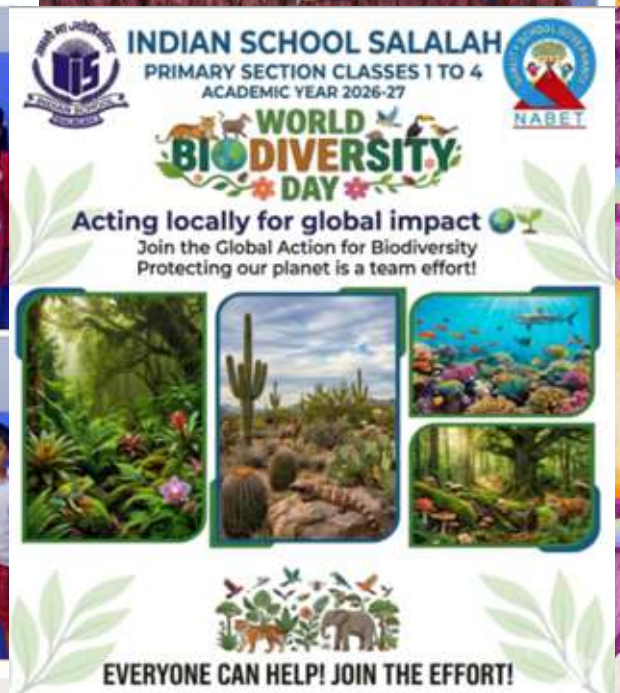

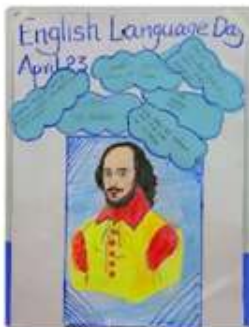

Global Day of Parents was celebrated on Wednesday, 1st June, 2026 to appreciate the love, care, and support of parents. A flyer was shared with the children, and a special song, "Thank You for Parents," was taught during the Community Singing period. The activity helped children express their gratitude and love towards their parents.

JUNE 2026 –
AUGUST 2026

The CCA team meticulously conducted various competitions for the primary section of classes 3 & 4 such as English Calligraphy, English Elocution, Spell bee, Hindi recitation and Hindi Calligraphy.

All students sincerely participated and showcased their best talents. The primary CCA team also celebrated various special days enlightening on the importance of these day with teacher talk, creative pictures and videos.

SPECIAL ASSEMBLIES WORLD ENVIRONMENT DAY

**MAY 2026 –
JUNE 2026**

World Environment Day 2026 was observed on June 5, 2026, focusing heavily on urgent climate action under the official theme “Inspired by Nature. For Climate. For Our Future.” A special assembly was conducted by class 4 students which aimed to raise awareness about pressing environmental issues, specifically focusing on the current year's global theme. The assembly engaged and inspired the student body and faculty in their collective action towards a greener future.

The highlights of the assembly were a theme-based thought for the day - Protect nature today for a greener tomorrow, an enlightening speech, a powerful action song and placards depicting messages on reducing plastic waste and saving water can prevent large-scale ecological damage. It was not only a performance, but also an educational tool.

INVESTITURE CEREMONY PRIMARY SECTION

The Investiture Ceremony of the Primary Section of Indian School Salalah was conducted on Monday, 24th August, 2026 in KG Block with great enthusiasm, pride and solemnity by primary CCA in-charges Mrs Kala and Mrs. Prijini and coordinators Mrs. Blessy and Mrs. Remya.

The ceremony was graced in the esteemed presence of Principal Mr. Deepak Patankar, Vice Principals Mr. Mammikutty and Mrs. Ambika Padmananabhan, Primary In-charge Mrs. Anjali Radhakrishnan, and subject In-charges – Mrs. Rachel, Mrs. Subha, Mrs. Meena. Mr. Parvinder Singh was the special invitee of the occasion. Their presence added special significance and grandeur to this important occasion.

The highlight of the programme was the Badge Pinning Ceremony, during which the newly elected Students' Council members were formally invested with their leadership badges. It also showcased that it is not merely a position but an opportunity to serve, inspire and set a positive example for their peers. All teachers contributed in ensuring the smooth movement and participation of the students.

As part of the World Environment Day celebrations 2026 (theme: "Inspired by Nature. For Climate. For Our Future"), the Nebulas Science Club conducted a hands-on, eco-friendly science activity for Grade 3 and 4 students on Sunday, 7th June 2026, focusing on transforming recyclable waste materials into meaningful science models inspired by nature and sustainability.

As part of an engaging science activity, students showcased their creativity and environmental awareness by constructing science models using waste materials. Grade 3 students created models illustrating the Life Cycle of a Butterfly, helping them understand the fascinating transformation from egg to caterpillar, pupa, and finally an adult butterfly. Grade 4 students designed models demonstrating the Water Cycle, enabling them to explore the processes of evaporation, condensation, precipitation, and collection in an interactive manner.

The activity successfully integrated scientific learning with environmental responsibility, encouraging students to think creatively while promoting eco-friendly practices. It also merged science education with environmental awareness, empowering young learners to appreciate nature's wonders while practicing sustainability.

EARTH DAY

'Every small action can make a difference in keeping our Earth clean, green and happy.'

The primary section of 3 and 4 celebrated Earth Day on Wednesday, 22nd April, 2026 with a series of meaningful and engaging activities aimed in creating awareness about the importance of protecting and caring for the planet, Earth. The celebration was graced in the presence of Principal Mr. Deepak Patankar and Subject In-charge Ms. Shubha. All students enthusiastically took an Earth Day Oath: "I promise to keep my Earth clean, green and happy every day."

Students made Earth Day wristbands, which served as a creative reminder of their responsibility towards the environment and actively participated in an action song in the science period. One of the key highlights was the Planting Activity where all students brought potted plants from home to promote the love and care for plants. These plants were displayed in the school quadrangle reinforcing the message of caring for nature responsibility while also contributing to the beautification of the school environment. The activity was both educational and enjoyable for students.

MATH CLUB ACTIVITY

The Math Club conducted a variety of activities for the students of the primary section (3&4) on Wednesday, 10th June, 2026. The objectives of this activity were to understand the significance of the story 'Zero' and enhance creativity and concentration through origami. A worksheet activity included decoding, and problem-solving skills. The students watched the story of "Zero" with great interest and enthusiasm. Through the story, they learned about the importance of self-worth, kindness, equality, and self-confidence.

The students enthusiastically participated in an origami hat-making activity which helped them to improve concentration, coordination, and fine motor skills. The students also completed the "WISH YOU ALL A HAPPY VACATION" decoding worksheet with enthusiasm. They carefully decoded the hidden message using the given clues and enjoyed discovering the vacation greeting. The activities were an enriching and enjoyable experience and provided opportunities for creativity, logical thinking, concentration, and collaborative learning.
